## Space M Versions

### Focus space for **1 person**

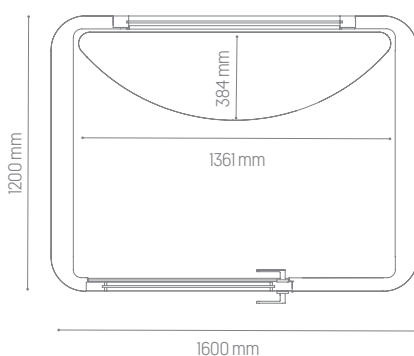

Do you have a task requiring focus? Close the door, adjust the height of the table, set the right light and focus on your work without being disturbed.\*

\*Chair is not part of the equipment.

### Meeting space for **2 people**

Do you need to run a short, informal one-to-one meeting? This is an ideal solution for you. Seat on comfortable stools and talk in peace.

## Technical information

### Materials used

- Construction: a plywood framework filled with a proprietary composition of the best sound isolating and absorbing materials developed in the MuteDesign acoustic lab.
- Exterior: painted metal and veneer or laminate
- Interior: felt
- Glass: soundproof glass

### Parameters

- Exterior: 160 cm \* 120 cm \* 224.7 cm [length \* width \* height]
- Interior: 140.4 cm \* 108.6 cm \* 208 cm [length \* width \* height]
- Width of left handed door: 89.2 cm
- Height of desk without adjustment: 76 cm
- Height of desk with adjustment: 62.5 cm to 126 cm
- Height of table in a 2-person version: 110 cm
- Height of the stool: 67 cm to 87 cm
- Weight: 450 kg

### Acoustic properties

- One of the best sound insulation results on the market [ask us for more details]
- Very short reverberation time inside:  $RT_{20} \leq 0,2s$
- Extremely quiet and efficient ventilation: noise generated inside <30 dBA / outside <32dBA

### Energy consumption

- During operation: 8W [1-person] / 15W [2-person]
- In standby mode: 0.1W
