Hopefully, you are completely satisfied with your order. If not, you have 14 days (after receiving your order) to return it. To return one or more products, we ask you to fill out this form completely and include it with your package.

Return conditions

Send your package back to us within 14 days of receipt in the original undamaged packaging.

The products must not have been worn, as returns are not possible in that case. You are responsible for properly packaging and covering the shipping costs for your return shipment.

Please note: for hygienic reasons, we do not accept returns of tried-on earrings. Earrings must, therefore, be in the original unopened packaging. Earrings whose packaging has been opened or altered can not be returned.

Pack the item along with the completed return form. Don't forget to mention your order number! When you drop off the return at a post office, keep this shipping receipt safe.
