

PRODUCT SPECIFICATION

V351HPU1 - Hydraulic Power Unit

Description:

Single acting hydraulic power unit
Two independent valves for
Port & Stbd tab controls

Specifications:

Mechanical:

Hydraulic Fluid ATF
Reservoir Capacity: 40 in³
Mounting Bracket Hardware (4) #10 x 1" Screws

Electrical:

Voltage 12 & 24VDC
Connectors: 4 Pos Mate-N-Lock

Hydraulics:

Working Pressure 350psi
Fittings 1/4" Compression Fitting
Push-To-Connect (1/4")

Options:

Stainless "L" Floor Mount
Available in single valve, single acting unit
Mounting shim for uneven surfaces

Mounting Positions

Mounting Angle Horizontal ±10°

CAD Files:

IGES, easm
