shelter^s

**IN ADDITION TO ITS PRIMARY HEATING
PURPOSE, SHELTER FIREPLACES ARE
EXCLUSIVE DESIGN PRODUCTS WITH A
STRONG DECORATIVE COMPONENT,
MARKING THEIR PRESENCE AND
DOMINATING SPACE, THUS MAKING ITSELF
THE SPOTLIGHT OF ANY ENVIRONMENT
WHERE IT IS INSERTED.**

SHELTER focuses its activity on the development, production and commercialization, national and international, of fireplaces of exclusive design, firewood combustion and bioethanol, distributing its product line in 4 different collections:

Flow Collection - Collection of suspended fireplaces;

Settled Collection - Floor and integrated mobile fireplaces;

Out Collection - Collection of outdoor fireplaces;

Nook Solutions - Integrated Project Solutions;

In parallel with its permanent collection, Shelter also enables the development of an integrated project from its development office, in direct collaboration with the client, in order to give a strong response to the needs of each case.

Primarily for the quality and exclusivity of its products, Shelter counts on a multidisciplinary team in the area of architecture, product design and interiors, guaranteeing the necessary tools and baggage for the development of all its products.

Vortex

INSTANT ICON

Material Carbon Steel S275

Finish Black or Anthracite

Thermo-Resistant Paint

Dimensions **W** 1500mm **D** 500mm **H** 750mm

Weight 163kg

AVAILABLE FOR FIREWOOD AND BIOETHANOL

Vortex

Instant Icon

The Vortex is customized by the lightness of its asymmetrical form, referring to an imagery of space deformation, resulting in its striking image and dominant presence.

Breaking with any definite convention of beauty, Vortex assumes itself as Shelter's brand image, establishing a new paradigm of fire harmony.

FC V/02798501

Bellie

THE PURITY OF BRUTALISM

Material Carbon Steel S275

Finish Black or Anthracite

Thermo-Resistant Paint

Dimensions W 1500mm D 500mm H 750mm

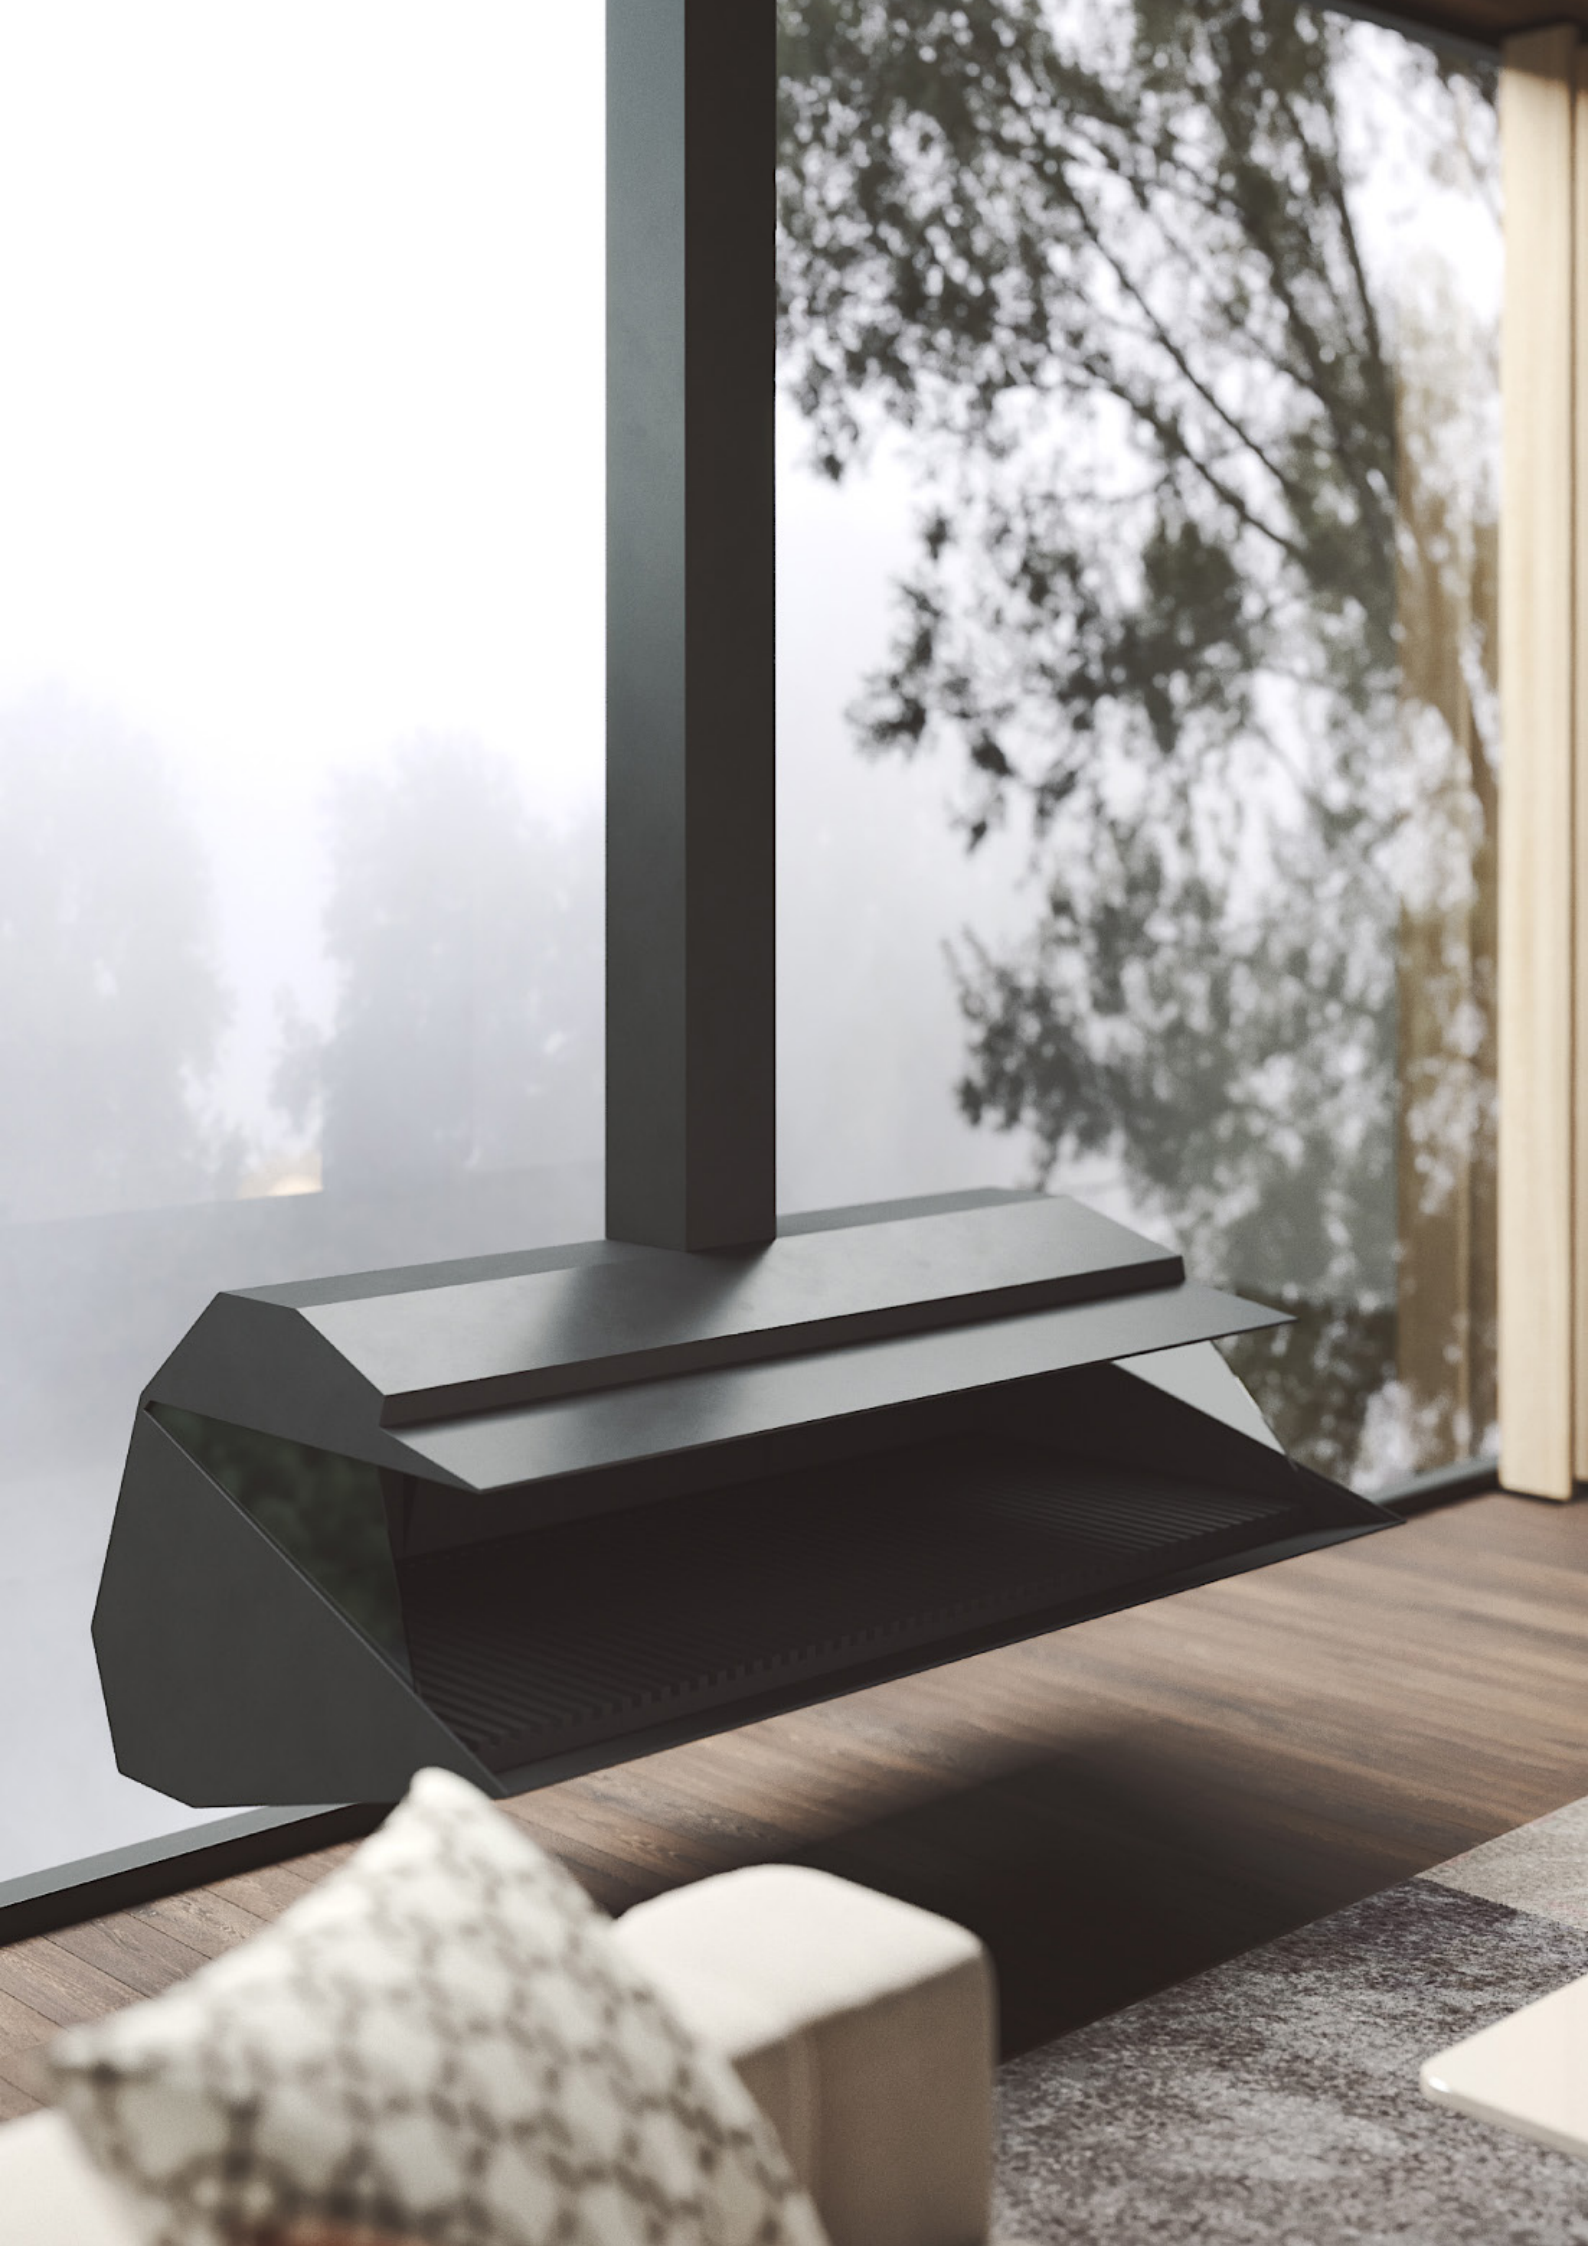

Weight 163kg

Accessories Thermoceramic glass

resistant to high temperatures

AVAILABLE FOR FIREWOOD AND BIOETHANOL

Bellic

The Purity of Brutalism

The Bellic suspended fireplace combines the purity and elegance of its straight lines, suggesting the shapes of the Brutalist movement. Evidencing its conceptual structure from the first glimpse, the Bellic stands out, marking its presence as a prominent element, dominating the environment around it.

FC B/01694501

Una

A THE FLUIDITY OF FIRE

Material Carbon Steel S275

Finish Black or Anthracite

Thermo-Resistant Paint

Dimensions W 1500mm D 510mm H 670mm

Weight 120kg

AVAILABLE FOR FIREWOOD AND BIOETHANOL

Una

The fluidity of fire

Designed to establish itself as the center of the atmosphere that organizes around it, Una is distinguished by its organic form and its latent presence, with the main objective being the point of convention of the environment where it is, for the comfort it provides. A large fireplace capable of characterizing a space just by its presence.

FC U/03732501

Kim

THE IMPERATIVE OF COMFORT

Material Carbon Steel S275

Finish Black or Anthracite

Thermo-Resistant Paint

Dimensions W 1500mm D 510mm H 670mm

Weight 120kg

AVAILABLE FOR FIREWOOD AND BIOETHANOL

Kim

The imperative of comfort

Designed to promote the comfort of space by the presence of fire, the Kim fireplace is characterized by its simple but harmonious lines. Its naked form of superfluous elements, privileges its primordial function, conferring comfort to space, both by its high calorific power, and by the large dimension of the fire space, making any space a shelter for the senses.

FC K/04721501

Moon

LESS IS MORE

Material Stainless Steel AISI 304

Finish Polished Stainless Steel Polido

Dimensions Ø 600mm

Weight 36kg

AVAILABLE BIOETHANOL

Moon

Less is more

Moon is defined by the ability to do more with less, establishing the balance between the economy of means and space, with the richness of its performance and materials.

Its reduced size is matched in perfect harmony with its calorific power supplied by the bioethanol burner, while the simplicity of its spherical shape is enriched by the brilliance of its polished finish.

FC M/05389001

Major Tom

GROUND CONTROL TO MAJOR TOM

Material Stainless Steel AISI 304

Finish Polished Stainless Steel

Dimensions W 600mm D 330mm H 300mm

Weight 36kg

AVAILABLE BIOETHANOL

Major Tom

Ground Control to Major Tom

Inspirada na arte conceptual da década de 70, a Major Tom herda o seu nome de célebre personagem da música Space Oddity de David Bowie. A conjugação da sua forma elíptica e do acabamento espelhado do aço inoxidável remetem para um imaginário espacial, sem nunca perder a sua elegância e sofisticação.

FC MT/06436001

Holy

THE VERSATILITY OF FIRE

Material Carbon Steel S275/

Wood: Pau Santo / Concrete (Optional)

Finish Black Thermo-Resistant

Paint/ High Gloss Varnish (Optional)

Dimensions Ø 600mm / W 1800mm D 600mm H350mm

AVAILABLE FOR FIREWOOD AND BIOETHANOL

Holy

The versatility of fire

The Holy fireplace shows the perfect symbiosis between metal and wood, between hot and cold, between functional and decorative. Priming for its ultimate function, heating, Holy is also distinguished by the elegance of its concept, embodying a hybrid piece between fireplace and furniture.

SC H/07622501

Under Plate

SIMPLICITY IS THE ULTIMATE
DEGREE OF SOPHISTICATION

Material Carbon Steel S275

Finish Black Thermo-Resistant Paint

Dimensions Ø 700mm

AVAILABLE FOR FIREWOOD AND BIOETHANOL

Under Plate

Simplicity is the ultimate degree of sophistication

Under Plate is characterized by the lightness of its pure forms, the circle of the fire base and the cylinder of the exhaust pipe combine as a single body, marking the fire of the house.

The eclectic nature of Under Plate allows it to take a leading role in the environment where it waxes, giving a pattern of sophistication to all its surroundings.

SC U/09320001

Plan

THE TRANSVERSALITY OF TIME

Material Carbon Steel S275/

Wood: Pau Santo

Finish Black Paint/

High Gloss Varnish (opc.)

Dimensions W 2000mm D 400mm H 500mm

AVAILABLE FOR FIREWOOD AND BIOETHANOL

Plan

The transversality of time

Over time the fireplace has lost some prominence as the meeting center of the house in favor of television. The Plan Fireplace combines the best of both worlds, consisting in a bioethanol fireplace, Plan is also a mobile TV, thus enhancing its power of concentration around it.

With Nordic design and noble materials, Plan stands out for its classic and elegant lines, always emphasizing its function of optimizing the experience of the house.

SC P/08467001

Donna
