Major Tom

Flow Collection

Ground control to Major Tom

Inspired by the conceptual art of the 70's, the Tom Major inherits its name from the celebrated character of Space Oddity by David Bowie.

The combination of its elliptical form and the brilliant stainless steel, make for a spatial imaginary without losing its elegance and sophistication.

Major Tom
Flow Collection

FC MT/06436001 Technical Data

Design in Portugal
Handmade in Portugal

Fireplace

Material Stainless Steel AISI 304

Finish Polished Stainless Steel

Dimensions 600mm x 330mm x 300mm

Weight 36kg

BIOETHANOL BURNER MANUAL

Bioethanol Combustion
