

The Intelligent Choice

2026
CATALOGUE

Welcome

Since 1981 Bucas merged a great Irish equestrian tradition with the latest technical developments and experience from other industries, countries and markets. This has resulted in the development of a wide range of highly innovative and technically advanced products for your horse.

How to measure your horse

To provide your horse with the optimal fit, comfort and protection that it deserves, it is important to select the most appropriate rug for your horse.

When choosing a Bucas Rug, you must consider two factors:

- The measurement of the horse in relation to the size of rug that it needs
- The temperature range for which the rug you choose is most suited

The following instructions outline a step-by-step approach to measuring your horse for a Bucas rug to provide an optimal fit, comfort and ease of movement.

Bucas recommends that the horse be measured from (A) the center point of the chest, over the high point of the shoulder, and then to (B) the rear of the hind leg. When you have the measurement, choose the nearest size from the table below, or email: admin@bucas.com and we can post a Bucas measure tape to you.

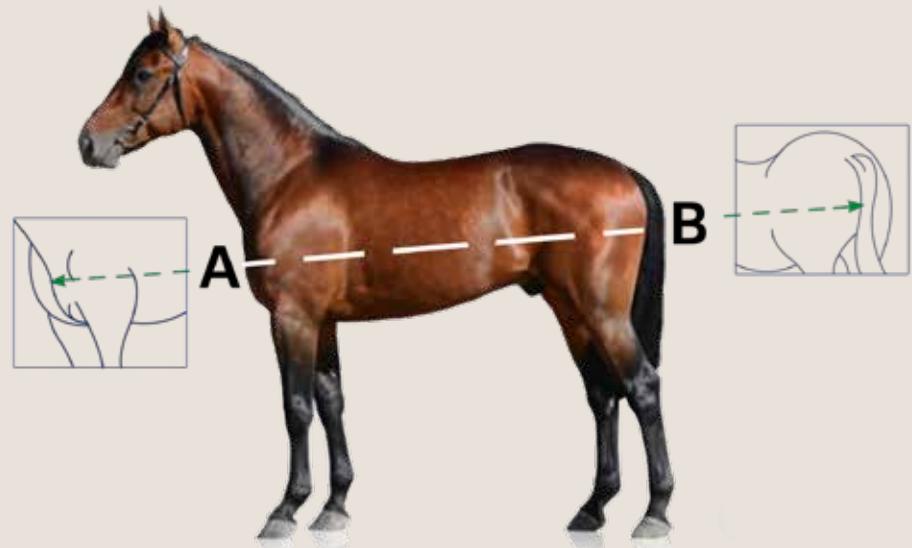

Table of Measurements

CMs	107	114	122	130	137	145	152	160	168	175	183	191	198	206	213	218
EU	85	90	95	100	105	100	115	120	125	130	135	140	145	155	165	170
UK	3'6"	3'9"	4'0"	4'3"	4'6"	4'9"	5'0"	5'3"	5'6"	5'9"	6'0"	6'3"	6'6"	6'9"	7'0"	7'2"
US	42"	45"	48"	51"	54"	57"	60"	63"	66"	69"	72"	75"	78"	81"	84"	86"

How to choose the right Neck for your Bucas rug

Bucas Necks are available in sizes XS – XXL. Follow these simple steps to find the perfect fit for your horse:

STEP

1

Determine your horse's rug size

Measure your horse using our How to Measure Your Horse guide, or check the label on your existing Bucas rug to confirm its size.

STEP

2

Match it to our Neck size chart

To select the correct size Neck, see the chart below.

STEP

3

Check the fit for comfort

Once attached, ensure the Neck sits comfortably around your horse's neck without restricting movement. Your horse should be able to graze, turn, and move naturally.

Size	Matches the rug size
XS	115 – 120 cm
S	125 – 130 cm
M	135 – 140 cm
L	145 cm
XL	155 – 170 cm

Tip: If your horse is between sizes, it's generally better to choose the larger size for comfort. This guide is intended as a general reference — every horse is unique, and fit may vary depending on shape and build.

How to Measure your Dog

To measure your dog correctly for a Bucas dog rug place the measuring tape where the collar usually sits on your dogs neck and measure the length of the dogs back to the start of the tail. This measurement will give you the correct size when purchasing your Bucas dog rug.

Dog Rug Size Guide

Size	Typical Breeds
25 cm	Miniature pinscher, Malteser, Bichon Havanese, Pomeranian
30 cm	Border Terrier, Cavalier, Shih Tzu, Scottish Terrier
35 cm	Beagle, Bichon, French Bulldog, Jack Russell, West Highland Terrier
40 cm	Cocker Spaniel, Miniature Bull Terrier, Staffordshire Bull Terrier
45 cm	Bull Terrier, Cocker Spaniel, King Charles
50 cm	Bassett, Boxer, Pitbull, Springer Spaniel
55 cm	Border Collie, Dalmatian, Doberman
60 cm	Golden Retriever, Greyhound, Labrador, Rottweiler
65 cm	German Shepherd, Husky, Irish Setter, Rough Collie
70 cm	Mastiff, Rhodesian Ridgeback
75/85 cm	Great Dane, Newfoundland, St. Bernard

WATERPROOF

Waterproof Rating: >10,000 mm Hydrostatic Head

BREATHABLE

Breathability: > 3000 g/24h/m²

HEAT REFLECTIVE

Heat reflective rugs help to reflect the sunlight, preventing the rug from absorbing the heat and heating up the horse.

HEAT RETENTIVE

Describes our aluminium inner coating reflects body heat.

1680 DENIER MATERIAL

Our 1680D Ballistic Nylon is exceptionally durable, featuring a very tight "ballistic" half-panama weave. This dense structure provides outstanding tear resistance in all directions.

1200 DENIER MATERIAL

Our 1200D material with a ripstop weave is designed to resist tearing. The ripstop pattern reinforces the fabric by preventing small rips or punctures from spreading further.

900 DENIER MATERIAL

These Ripstop fabrics are lightweight yet durable, featuring a reinforced ripstop weave that helps prevent small tears from spreading. This makes it ideal for applications where strength and weight need to be balanced.

600 DENIER MATERIAL

These Ripstop fabrics are lightweight yet durable, featuring a reinforced ripstop weave that helps prevent small tears from spreading. This makes it ideal for applications where strength and weight need to be balanced.

420 DENIER MATERIAL

Our 420D polyester fabric is strong yet silky, making it ideal for Bucas liners. It sits perfectly under rugs with Stay-dry or Dermo-care linings, ensuring comfort and compatibility.

THERAPY MATERIAL

A specially formulated fabric from Bucas. The fabric reflects the naturally occurring magnetic fields within the body, improving circulation, helping to warm up muscles faster and promotes healing properties.

DERMO-CARE MATERIAL

Silky Dermo-care lining with wicking properties, keeping the coat smooth and soft.

STAY-DRY MATERIAL

Stay-dry fleece fabric wicks away moisture from your horse's skin.

LAYERING SYSTEM

Bucas Liners, Quilts and Coolers can be used under Turnouts as an extra layer of insulation.

CLASSIC CUT

Traditional fit for comfort and freedom of movement.

BIG NECK

Big Neck style is a great fit for stallions and breeds of horses that tend to be wider across the shoulders like Connemaras, Friesians, Andalusians and Draughts.

HIGH NECK

Extra coverage for neck protection.

SLIM FIT

Designed for horses with a narrower build, offering a closer, tailored shape. The Freedom Cut is the only Bucas design featuring this fit, without shoulder darts.

T-BAR CLOSURE

Quick release T-Bar, secure and easy to use.

CLICK N'GO

A special patented closure only available from Bucas. Easy for a human to close and open but difficult for your horse!

MAGNETIC SNAP-LOCK

Snap-lock magnetic closure keeps your Bucas rug correctly positioned on your horse. It eliminates the use of Hook and Loop closures on the chest, making it a more comfortable fit for your horse.

SHOULDER DARTS

Shoulder Darts help to give your horse a more tailored fit across the chest and shoulder area. These are a signature design feature from Bucas.

DOUBLE D-RINGS

Secure attachment points to secure Liners, Quilts and coolers under your Bucas rug.

RECYCLED MATERIAL

Manufactured using lightweight, recycled materials.

LEG STRAPS

Secure the rug in place and prevent shifting during movement.

DELUXE TAIL CORD

Elastic, rubber-coated tail cord that's easy to clean and keeps the rug securely in place.

FILLET STRING

Ensures stability at the back of the rug and can be used optionally.

ANTIBACTERIAL

The anti-bacterial lining is made from yarn with antibacterial properties. It helps to keep the rug fresh and eliminates odours.

ANTI UV

Bucas fabrics with Anti-UV protection help shield your horse from sun exposure while keeping them comfortable.

ANTI FLY

Designed to repel flies.

ZEBRA EFFECT

The Zebra Effect reduces insect irritation by visually deterring flies and insects.

CROSS SURCINGLES

Durable cross surcingles to keep the rug securely in place.

PONY SIZES

Pony sizes available.

MACHINE WASHABLE

Machine washable at 30°C, making it easy to keep clean and fresh. Always follow washing instructions for best results.

TRAVEL USE

Designed for safe and secure use during transport.

How to extend your Bucas guarantee

- Bucas offers a 2 year guarantee against any manufacturing or material faults but you can extend it to 3 years on our Power, Smartex, Atlantic and Therapy Turnout range of rugs.
- All you need is your proof of purchase, like your receipt and the details from the label on the rug.
- Your rug must be registered within 30 days of purchase.
- Guarantee does not include normal wear and tear and accidental damage.
- Limitations apply.

Register here:
www.bucas.com/extend-your-guarantee

Tips for washing your Bucas Rug

- Before washing, close all hook-and-loop straps. If they are left open, the rug will latch onto itself and pick up every bit of dirt inside the machine.
- Close all surcingsles to avoid damaging the washing machine.
- For coolers, brush off loose bedding and dirt.
- Never wash Bucas products above 30°C; higher temperatures can damage the fabric and reduce performance.
- Use Bucas Rug Wash for all Bucas products to keep the maintain Bucas quality.
- Use Bucas Rug Conditioner after washing to keep waterproof fabrics performing at their best.
- For small nicks or tears, use the Bucas Repair Kit, which includes everything you need for quick, effective fixes.
- We recommend washing as infrequently as possible in order to maintain quality over the long term, especially with waterproof products.

Bucas Turnouts

Outdoor & Rain Rugs for All-Weather Protection

Bucas Turnouts are designed to keep your horse comfortable and protected in any weather. Durable, breathable, and versatile, they are ideal for use in the field, paddock, or stable. Rugs with Neck attachment points can be combined with matching Necks, Quilts, Liners or Coolers, allowing you to adjust warmth and coverage as needed.

Available in a range of cuts to suit every horse and season:

- Classic Cut – traditional fit without a Neck.
- High Neck – extra protection and reduced pressure at the withers.
- Full Neck – complete coverage from ears to tail.
- Big Neck – ideal for horses with a stronger build.
- Trot – specially designed for a trotting horse.

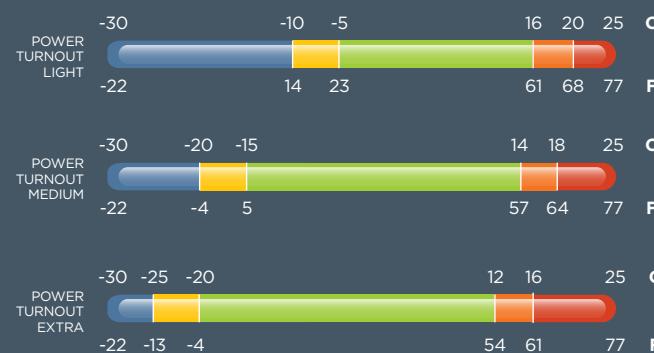

Power Turnout

The Power Turnout Range offers extraordinary strength, durability and quality. Perfect comfort and protection at a wide range of temperatures.

Features Include

- Ballistic nylon outer
- Aluminium inner coating – reflects body heat
- Silver outer – reflects sun light
- Reflective strips on front and tail flap
- Dermo-care shoulder lining
- Tail flap with tail loop
- Attachments for Neck on Classic cut rugs
- Connection points on Classic and Big Neck rugs for use with Bucas Liners, Quilts & Coolers
- Antibacterial lining

Bucas Quilts, Liners and Stable Rugs

Smart insulation layers to customise warmth and performance.

Quilts and Liners are layers designed to sit beneath a Turnout or Stable rug, adding extra warmth or protection without bulk so you can fine-tune your horse's comfort in any weather - for flexibility, Bucas Quilts can be worn independently as a standalone rug.

Use Options

- Layering System: Bucas Liner, Bucas Stable Sheet, Bucas Quilt, Therapy Liner
- Stable rugs: Bucas Cosy Stable Rug, Quilts, Freedom Stable, Show-Line Stable

The Layering System rugs above can be used with any Bucas Turnout, but they work best with styles that have neck attachment points for a secure fit, all Turnouts except Freedom, Anniversary and High Neck rugs include these.

Bucas Liner

The Bucas Liner is the perfect combination of insulation and convenience, offering superb flexibility to the Bucas Layer System.

It allows you to easily increase the insulation of most Bucas Turnout or Stable rugs, thanks to its front and rear attachment points. Available in three different weights, it transforms a light turnout into the perfect transitional autumn rug or a heavyweight winter rug.

Features Include

- Polyester quilted outer
- Reduced depth
- Front and rear attachment points for use under Bucas rugs

Code	Product	Cut	Insulation	Features	Sizes (cm/ft)	Colour
553	Bucas Liner 300	Classic	300 g	Dermo-care lining	115/5'0 - 165/7'0	Navy

551	Bucas Liner 100	Classic	100 g	Dermo-care lining	115/5'0 - 165/7'0	Navy

Stable Sheet

The Stable Sheet is perfectly designed for the Bucas Layer System, this stable sheet protects and complements your Bucas Liners, Quilts, and Coolers. Front neck closure and rear hook & loop strap ensure a secure fit, while the silky polyester outer prevents bedding from sticking.

Features Include

- Polyester outer
- Connection points for use with Bucas Liners, Quilts & Coolers

Shamrock Power

The Shamrock Power is a high-performance multi-purpose cooler featuring the Bucas advanced dual-layer Stay-dry fabric with antibacterial inner lining, ensuring exceptional moisture wicking and fast drying.

Soft, breathable & warm, it is ideal as a cooler, travel rug, or lightweight stable sheet.

Features Include

- Double layer cooler
- Internal detachable cross surgingles
- Silk-feel lining on shoulders
- Attachments for leg straps
- Attachment points to use under any Bucas turnouts or stable rugs

Code	Product	Cut	Features	Sizes (cm/ft)	Colour

Bucas Coolers

Bucas Coolers are engineered for superior moisture management, travel, comfort, and efficient post-exercise cooling.

Power Cooler

The Power Cooler is a high-performance, lightweight multi-purpose rug suitable for drying, travel, competition, or stable use.

Competition Cooler

The Competition Cooler is a lightweight option ideal for warm competition days, featuring Stay-dry lining and breathable mesh.

Prize Cooler

The Prize Cooler is a popular prize-giving rug that also functions as an effective cooler thanks to its Stay-dry properties.

Panel Prize Cooler

The Panel Prize Cooler includes a removable panel that can be embroidered or printed, making it perfect for prize-giving ceremonies.

Printed Cooler

Customise with your photo, logo, and text to produce premium printed coolers for your brand.

With industry-leading printing technology, we deliver standout designs ideal for events and prize-givings.

Choose from two styles – Standard Printed Coolers and Panel Printed Coolers – each available with a range of trims to suit your look.

The Panel Printed Cooler features a removable panel, allowing you to add sponsor branding through print or embroidery with ease.

The rug remains fully functional even when the panel is detached.

Features Include

- Single layer cooler
- No surcingles

Therapy Range

The Bucas Therapy Range stimulates your horse's natural magnetic fields to improve blood circulation, reduce inflammation, support faster healing, and prepares muscles for exercise.

Each product prioritises both effectiveness and comfort, ensuring your horse benefits from targeted therapy and consistent relief.

Unlike magnetic rugs, Bucas Therapy products can safely be left on your horse for up to 24 hours, seven days a week, if needed.

Key Benefits:

- Increased blood flow boosts oxygen supply to muscle tissue, aiding performance and repair, flushing toxins and reducing swelling
- Stimulating Therapy material designed to capture and reflect the body's natural magnetic field
- Promotes faster healing and reduces inflammation
- Promotes relaxation particularly in stressful situations such as transport or competitions

Therapy Coolers

The Bucas Therapy Coolers combine the therapeutic benefits of Bucas Therapy fabric with smart, functional design for optimum recovery and comfort. Both styles feature the Therapy material across the upper section to stimulate circulation and support muscle recovery.

The **Therapy Cooler** is lined with Stay-dry fabric on the lower section, making it ideal for wicking moisture after exercise or washing.

The **Therapy Mesh Cooler** features a mesh lower for enhanced airflow and cooling in warmer conditions.

Together, they offer versatile recovery solutions for every season.

Features Include

- Therapy material upper
- Loop for tail protector & bag

731	Show-Line Fly Bonnet	Black, Navy	Full

Show-Line Travel Boots

The Show-Line Travel Boots offer full lower-leg protection with a smart, secure fit for safe and comfortable travel. Designed to match the rest of the Show-Line Collection.

Features: ripstop outer, faux fur trim, foam inner, waffle lining to protect

Code	Product	Colours	Sizes (cm/ft)
702	Show-Line Travel Boots	Navy	Cob, Full

Show-Line Leg Wraps

The Show-Line Leg Wraps provide soft, secure support for the lower legs, ideal for both stable use and travel. Designed for comfort and protection with the signature Show-Line finish. The bandages can be used in combination with the Bucas Wraps.

Features: breathable, cooler fabric outer, stay dry lining.

Code	Product	Colours	Sizes (cm/ft)
712	Show-Line Leg Wraps	Navy	One Size (78 cm x 43 cm)
714	Bucas Stable Bandages	Navy	One Size (2m)

Show-Line Halter

The Show-Line Halters are designed for comfort and protection, featuring soft faux fur padding to reduce rubbing on sensitive areas.

Features: Both styles include an adjustable headpiece on each side for a tailored fit and a bent-ring throat strap to keep the snap hook from rubbing the cheek.

Code	Product	Colours	Sizes (cm/ft)
411	Show-Line Full Fur Halter	Navy/Grey	Pony - XFull
410	Show-Line Halter	Navy/Grey	Pony - XFull

Show-Line Dog Rug

The Show-Line Dog Rug brings the same refined style and comfort of the Show-Line Collection to your canine companion, offering a smart, coordinated look alongside practical everyday use.

Features: fleece fabric, faux fur collar, waterproof belly pad, adjustable belly strap, wide neck, collar opening for leads.

Code	Product	Colours	Sizes (cm/ft)
280	Show-Line Dog Rug	Navy/Grey	25 cm / 10" - 65 cm / 26"

Bucas Fly Range

The Bucas Fly Range offers effective protection against flies, insects, and summer conditions, with options to suit every horse.

X-Range

Sweet-Itch X: Designed for horses with sweet itch, featuring extra-dense fabric for maximum insect protection

Buzz-Off X: Durable, lightweight fly protection with extended coverage and high breathability

Buzz-Off Range

Lightweight and highly effective fly rugs, available in:

Zebra: Proven striped pattern that helps deter insects

Silver: Reflective fabric offering strong UV and fly protection

Styles Available

All rugs come in multiple styles to match your needs:

Full Neck – full coverage from ears to tail

Detachable Neck – flexible protection

Classic Cut – standard fit without a Neck

Big Neck - ideal for horses with a stronger build

In the Freedom section, you will find the Freedom Fly Rug, offering excellent value for money.

Fly masks are also available in various styles to provide additional protection and comfort.

X-Range Fly Protection

The Bucas X-Range is a collection of specifically designed rugs with extra deep sides and wrap-around belly, providing excellent protection for your horse against flies and superb UV protection.

Features Include

- Extra deep sides
- Integrated neck with headpiece
- Dermo-care lining on shoulders, withers and mane
- Wrap around belly protection
- Extra deep tail flap

Sweet-itch X Light

An extra-deep eczema rug combining a solid polyester upper for maximum protection with a mesh lower section that provides fly defence and airflow.

Buzz-Off X

Made from extra-deep lightweight mesh that helps block flies and prevent sun bleaching. The deep sides improve airflow and provide protection around the legs.

Buzz-Off Rain Zebra & Neck

Combines the Zebra fly sheet with a waterproof upper for full protection. The removable neck and waterproof top keep flies away while allowing water to roll off your horse's back.

Buzz-Off Zebra Full Neck

This rug provides full protection for the horse's body and neck while the elasticated brow band helps keep the Neck in place.

Buzz-Off Zebra & Neck

Offering the same great features but with a removable Neck.

Sweet-Itch Zebra

Made from a specially developed fabric that blocks even the smallest insects, this rug provides full-body coverage from ears to tail for effective sweet-itch protection. The design also offers UV protection to help prevent sunburn and coat bleaching.

Buzz-Off Zebra Range

The Buzz-Off Zebra range of fly and insect products are made from a specially developed lightweight fine mesh fabric with Zebra print. Research shows that flies avoid zebra stripes, as the strong black-and-white contrast confuses and deters them.

Features Include

- Elasticated and detachable belly pad
- Dermo-care lining on the shoulders, withers and mane
- Elasticated browband to help secure neckpiece
- Extra deep tail flap
- Includes belly pad extender straps

Code	Product	Cut	Features	Sizes (cm/ft)

Buzz-Off Full Neck

Provides breathable fly protection for both body and neck, with full coverage and a secure fit.

Buzz-Off & Neck

Offering the same great features but with a removable Neck.

Buzz-Off Classic

The ideal fly sheet if there is no need for neck protection.

Buzz-Off Rain & Neck

Combines the Buzz-Off fly sheet with a waterproof upper for full protection. The removable neck and rainproof top keep flies away while allowing water to roll off your horse's back.

Fly Masks

Buzz-Off Pro Mask

Provides excellent fly protection with breathable UV protection of over 70%. The structured mesh keeps the mask away from the eyes, supported by a reinforced browband for optimal comfort.

Features Include:

- Buzz-Off mesh ears
- High-tenacity face mesh
- Soft fleece binding to reduce friction
- Elasticated headpiece
- Hook & loop closure to secure mask
- Stay-dry breathable fabric

Buzz-Off Ultra

Protects against flies and insects while keeping your horse comfortable. The breathable, stretchy nylon fits snugly around the face, secured with hook & loop closures, and provides over 75% UV protection.

Features Include:

- 4-way stretch material
- Buzz-off mesh ears
- Mesh eyes
- Hook & loop closures
- Forelock slit

Foal Products

The foal turnout and halter are both designed to grow with your foal. Both offering additional adjustability in order to cater for growing foals.

The foal rug has three adjustment points on the chest pad and two on the belly pad to accommodate a growing foal.

The rug comes in one size 79 x 57cm, and can be adjusted as follows:

Size		S	M	L
Back Length	79 cm			
Depth of rug	57 cm			
Depth of belly		54 cm	58 cm	
Length of rug		97 cm	100 cm	104 cm

Bucas Essentials

Bucas Rug Wash

Bucas Rug wash is ideal for use on all Bucas rugs. This special phosphate free wash is ideally suited for all waterproof and water repellent rugs as well as other articles of non waterproof fabrics.

- Bucas rugs should be hand washed or machine washed as infrequently as possible at a maximum of 30 degrees
- Use 50ml for 4.5kg of dry washing or 25ml for litres of water
- Do not machine dry or spin dry
- Dry flat or hang to dry at room temperature
- Do not use fabric conditioner or other chemicals
- For Full guarantee on Bucas Rugs, the Bucas Wash should only be used

Code	Product	Size
901	Bucas Rug Wash	250ml or 5 Litres

Bucas Rug Conditioner

The Bucas Rug Conditioner helps to restore the water repellent finish of your Bucas turnout rug. The conditioner should be used on the outside of your clean turnout rug.

Code	Product	Size
903	Bucas Conditioner	500 ml or 5 Litres

Tail Protector Bag

The Bucas Tail Protector Bag offers great protection for the horses tail with a padded wrap around the dock, and a secure elasticated fastening around the tail.

The added security of a Hook & Loop feature means you can attach the Tail Protector to your Bucas Coolers to prevent them from slipping. It also has a waterproof, integrated tail bag to help keep your horses tail clean while travelling.

Code	Product	Colour	Size
720	Tail Protector	Black, Navy	One Size

Bucas Essentials

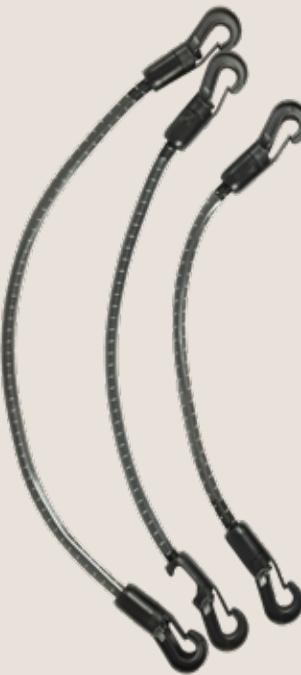

Chest Extenders

Chest Extenders are great for horses that need that extra bit of room or measure in between sizes on a Bucas measuring tape.

These are available for the majority of Bucas rugs and include Click 'n Go, Snap Lock, T-Bar and Hook & Loop closures.

Deluxe Tail Cord

The Deluxe Tail Cord is a PVC covered elasticated tail cord that works the same as a fillet string. Easy to clean and helps keep your horses rug in place.

Elasticated Leg Straps

The Bucas Elasticated Leg Straps are an essential addition to any tackroom. Adjustable and elastic for stretch, they are easy to attach to any Bucas rug with attachment points for leg straps.

Code	Product
801	Standard Extender
