

PRODUCT SPECIFICATION

REF 1911 CEDERROTH 4-IN-1 MINI

1 GENERAL PRODUCT DESCRIPTION

Description

Cederroth 4-in-1 mini is a sterile universal dressing, which consists of one elastic bandage and one compress with a non-stick wound contact layer which is stitched to the bandage. The dressing is wrapped in a pouch with printed pictorial user instructions.

The Cederroth 4-in-1 mini dressing is intended to be used in first aid situations and it is especially suitable for fingers and toes. The dressing has four functions and thereby replaces a variety of traditional first aid dressings and compresses:

- Pressure pad for heavy bleeding
- Protective dressing for superficial wounds
- Burn dressing with special wound protecting surface
- Temporary support dressing

The product is intended for single use.

Storage information

Dry storage in room temperature.

For maximum protection, keep in original package until use.
