Important compatibility information

Some Renault models were supplied with different gear selector mechanisms depending on engine, production date and gearbox specification.

The TL4N-Shift is compatible with vehicles equipped with the original gear selector lever **OEM 328968611R**.

Confirmed - This application has been identified with OEM selector lever 328968611R.

VIN check recommended - Different selector mechanisms may have been fitted to this vehicle. We strongly recommend sending us your VIN before ordering so we can verify compatibility.

If you order a "VIN check recommended" application without requesting a VIN check beforehand, compatibility cannot be guaranteed.
