Make	Model	Generation	Production years	Engine	Power	Confidence
Mercedes-Benz	Citan	W415	2012-2021	109 CDI 1.5 diesel	66 kW	VIN check recommended
Mercedes-Benz	Citan	W415	2013-2021	111 CDI 1.5 diesel	81 kW	VIN check recommended
Mercedes-Benz	Citan	W420	2021-	1.5 diesel, 6-speed manual	various	VIN check recommended

Important compatibility information

Mercedes-Benz Citan models were supplied with different manual gearboxes and gear selector mechanisms depending on engine, production date and gearbox specification.

The TL4N-Shift is compatible with vehicles equipped with the original gear selector lever **OEM 328968611R**.

VIN check recommended - OEM 328968611R is used on certain Citan versions, but other selector mechanisms were also fitted. We strongly recommend a VIN check before ordering.

For a compatibility check, please email your VIN (chassis number) to **4h-tech@short-shifters.com**.

If you order a "VIN check recommended" application without requesting a VIN check beforehand, compatibility cannot be guaranteed.
