Important compatibility information

All applications in this list are Confirmed. The Berlingo M59 applications are established 4H-TECH N-Shift fitments. The C2 applications are additionally supported by parts data that specifically links PSA OEM 244989 / 2449.89 to the stated engine and 5-speed manual transmission.

OEM 244989 / 2449.89 is a PSA gearshift linkage / relay lever component. The N-Shift is compatible when this component is present in the vehicle's gearshift system.

No additional Citroen model has been included unless either existing 4H-TECH fitment experience or sufficiently specific 244989 application data was available.

If your vehicle is not listed, please email your VIN (chassis number) to **4h-tech@short-shifters.com**. You may also send us a clear picture of the original gearshift mechanism located on top of the gearbox.
