

Applications for Citroen

4H-TECH H4-Shift Short Shifter - confirmed Citroen applications. Reference selector component: **PSA OEM 244988 / 2449.88**.

Make	Model	Generation	Production years	Engine / specification	Power	Confidence
Citroen	Berlingo / Berlingo First	M49 / M59	1996-2008	1.8 D	43 kW	Confirmed
Citroen	Berlingo / Berlingo First	M49 / M59	1996-2008	1.9 D - DW8 family	51 kW	Confirmed
Citroen	Berlingo / Berlingo First	M49 / M59	1999-2008	2.0 HDi - DW10 family	66 kW	Confirmed

Important compatibility information

All applications in this list are Confirmed. Existing 4H-TECH Berlingo 1.9 D and 2.0 HDi applications are confirmed by practical fitment experience. The 1.8 D application is additionally supported by parts data linking PSA OEM 244988 / 2449.88 to the Berlingo gear selector system.

Important: aftermarket replacement mechanisms frequently combine PSA 244988 with several other original selector numbers. Those broad aftermarket cross-references alone are not used to confirm additional H4-Shift applications.

For this reason, 1.6 16V and 1.6 HDi Berlingo versions have deliberately not been included in this H4-Shift list. Although replacement parts may be marketed under 244988 for these vehicles, the available data does not sufficiently prove that their original factory selector mechanism is the H4-Shift-compatible 244988 type.

If your vehicle is not listed, please email your VIN (chassis number) to **4h-tech@short-shifters.com**. You may also send us a clear picture of the original gear selector mechanism located on top of the gearbox.
