Disclaimer: You have the right to cancel your order up to 14 (calendar) days after receipt without giving any reason. You will then be credited with the full order amount including shipping costs (only when the entire order is returned) within 14 days of returning items in good condition. The return right expires as soon as labels of clothing, tactical vests / belts, Plate Carriers, pouches, etc. have been removed or when the seal of a product is broken. We also do not accept returns if they have been removed but have been sent back separately with the item. The return right also lapses for products with clear traces of use. The warranty of upgrade parts that have been put into use and not placed by Broforce Airsoft are not covered by the warranty. So check this carefully before registering a return. we expect to receive the returned item in the same way as it was sold to you. This includes neat packaging materials such as the original box.

Only the costs for returning from your home to the webshop are for your own account. If you make use of your right of withdrawal, the product will be returned to the entrepreneur with all accessories supplied and - if reasonably possible - in its original condition and packaging within 14 days after registration of the return.
