

DIGESTIVE SUPPORT

Supports digestion and relieves the stomach.

Digestive Support is a dietary supplement based on alfalfa, dried chicory pulp and nettle that supports digestion. This 4 mm pellet contains no molasses and has a low sugar and starch content. It is specially designed to regulate digestion and optimise intestinal flora.

NUTRIENTS	UNIT
Crude protein	14 %
Crude fat	3.7 %
Crude fibre	18.1 %
Crude ash	20 %
Calcium	4 gKg
Phosphorous	0.2 gKg
Magnesium	0.4 gKg
Sodium	0.1 gKg
Sugar	5.5 %
Starch	4 %
Mixture of aromatic substances (herbal hay)	0.5 gKg

✓ Lithothamnium is oceanic calcareous algae. Due to the unique structure of this calcareous algae, minerals such as calcium and magnesium are slowly released in the stomach. This reduces fluctuations of acidity in the stomach and contributes to a healthy stomach wall.

✓ Chicory has a prebiotic effect thanks to the inulin it contains. Inulin is a nutrient that aids the growth of good intestinal bacteria.

✓ The yeast cultures present contain nutrients that contribute to a healthy and efficient intestinal flora

✓ The added probiotic is a specific strain of lactobacilli that helps maintain the natural balance of the intestinal flora.

✓ The added mycotoxin binder (including Bentonite) supports the digestion of horses exposed to mycotoxins in roughage, litter, grains or concentrate feed.

✓ Based on alfalfa, dried chicory pulp and nettle, and low in starch (4%) and sugar (5.5%)

✓ Now contains a mycotoxin binder (including bentonite); supports the digestion of horses exposed to mycotoxins (moulds) in roughage, litter, grains or concentrate feed

✓ No added molasses

Instructions

To be fed at 40 g/100 kg body weight per day. Ideally given with concentrated feed.

After changing the ration, or if the aforementioned behaviour is noticed, give for at least 14 days.

Composition

Alfalfa, Dried Chicory Pulp, Carob Powder, Dried Leaves (Nettle), Yeast, Heat-treated Corn, Soy Bean Meal, Sunflower Oil, Calcium Carbonate, Fermented Milk Products

Low in sugars and starches

Protects the stomach

Dried yeasts

Prebiotics (inulin from chicory pulp)
