

# GAS SOLID TOP

Mod. 8GPUBO/80

- Panelling in stainless steel (AISI 304).
- "Scotch-Brite" satin finish ensuring an easy cleaning of all inox surfaces.
- 2,0 mm thick deep-drawn cooking top in stainless steel (AISI 304), with rounded corners for maximum hygiene.
- Spillage channel round the whole working surface with drain hole and collecting container
- Large-sized hot plate with milled-cut groove, built-in hermetically in the cooking top
- Operation and adjustment of the burner capacity through a gas valve with thermoelectric safety devices
- Continuous standby mode thanks to a pilot light highly protected against clogging
- Sturdy and resistant pipe burners in stainless steel
- All external screws in stainless steel (AISI 304)
- 150 to 200mm adjustable feet
- Ambach joining system 2.0 (AJS)
