

Safe and Secure

New!

- Provides Safe Storage For Valuables
- Modular Design
- Easy To Assemble

Security Cage for Camshelving®

The new Security Cage for Camshelving® provides safe storage for valuables such as wine, champagne and spirits. Also ideal for personal items such as purses and backpacks. Unique modular design provides flexibility to retrofit one shelf at a time or an entire shelving unit. The modular design makes it easy to remove the cage to clean the shelf underneath. Cages are easy to assemble and attach onto Camshelving units. Simply insert the cage onto the shelf, place the security hook over the traverses and lock with a padlock*.

- Security Cage fits on US Standard Camshelving Units 24" (61cm) wide, 48" (122 cm) in length and longer.
- Security Cage fits on Metric Camshelving Units 60 cm wide, 120 cm in length and longer.

*Padlock not included

Camshelving®

Easy to Clean

Shelf plates are easy to remove and run through the dishwasher. Spills quickly wipe clean reducing the risk of cross contamination.

Rust-Free

Safe to -36°F (-38°C) making it the ideal shelving system for freezers, walk-ins, or any wet environment.

Strong and Durable

Inner steel post encapsulated by a thick polypropylene outer layer that will not chip or crack.

Easy to Assemble and Adjust

Shelves can be adjusted in 4" (10 cm) increments without disassembling the entire unit.
