2. Managing personal data

We use our website to process personal data, including sensitive personal data. Hismith.nl is committed to managing personal data with diligence, and we process and protect this data securely and compliantly.

When processing personal data, we comply with the requirements under data protection and privacy laws. This means, for example, that:

- we **clearly state** in this Privacy Statement the **purposes** for which we process personal data.
- we limit the **collection of personal data** to the personal data required for legitimate purposes;
- we will first **ask you for express permission** to process personal data in cases where your consent is required;
- we take **appropriate security measures** to protect your personal data and require the same of organizations tasked with processing our personal data on our behalf;
- we respect your right to **provide you with access to your personal data at your request, or to correct or erase this data.**

This Privacy Statement explains what types of personal data we collect and use, and for what purpose(s). We recommend that you read this Privacy Statement carefully.

3. Personal data we process

Hismith.nl processes your personal data because you use our services and/or because you have shared it with us voluntarily. These are the various types of personal data we process:

- Name and address details
- Phone number
