ATTENZIONE!

Sfilare l'astina di supporto LED facendo attenzione a non danneggiarlo, evitando il contatto con lo schermo. Si consiglia di effettuare l'operazione a lampada posizionata verticalmente su base di appoggio.

WARNING!

Remove the LED supporting stick carefully in order not to damage the LED itself, avoiding any contact with the shade. We suggest to do so after positioning the lamp vertically on a plain surface.

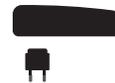

ON/OFF

Premere per accendere e spegnere la luce.
Press to turn on/off the light.

DIMMER

Tener premuto per aumentare o diminuire l'intensità luminosa.
Hold to increase and decrease the light intensity.
