|                           |                                           |
|---------------------------|-------------------------------------------|
| Product code              | SLIP003038                                |
| Voltage                   | 250 V                                     |
| Protection class          | I                                         |
| Light source included     | No                                        |
| Working temperature range | -20/+40 °                                 |
| Lifespan                  | 17000 h                                   |
| Housing material          | Aluminum                                  |
| Base                      | GU10                                      |
| Protection class          | IP20                                      |
| Colour                    | Black                                     |
| Dimension (axbxc)         | 120x160 mm                                |
| For use                   | Inside                                    |
| Assembly method           | On 3-circuit system                       |
| Application               | INT                                       |
| Made in                   | PRC                                       |
| Other                     | MAX 25W LED; NO INTENDED FOR<br>HALOGEN , |

\*Applies to the LED source used. \*\*Luminaire luminous flux
