Discover the SugarBird in the Gardens event spaces...

We currently have two spaces available for private hire within our two-storey venue: **SugarBird with a View**: an area for 15 to 25 guests in our upstairs bar, at the Union Street end of the pavilion. This space is ideal for stand-up drinks receptions, wine tastings and grazing platters. **SugarBird on the Terrace**: our full downstairs indoor space which can comfortably host up to 50 guests.

Our events calendar is currently open 6 months in advance.

Personalised Package

A bespoke selection of wines start from £16 per person. The option to include a grazing cheese and charcuterie table, priced at £14 per head will help tailor your event

Create your own unique wine package by working with our expert team, and curate a selection of wine that perfectly complements you, your company or the experience you're trying to create. We will recommend a range of wines based on the brief you supply, and invite you into our venue to sample and select before your event.

Paid Bar Event

If you'd like to run a paid-for bar for your guests, but treat them to a number of complimentary drinks upon their arrival, we can operate a token system. We can supply SugarBird branded tokens you can pass out to guests, which they can use to redeem a drink at the bar, or you can arrange your own tokens for us to utilise. We simply need to agree the selection of drinks available with your tokens, and we'll calculate the total spend at the end of the event.

Wine Tastings

At SugarBird, we are incredibly passionate about wine tasting, and taking people on a journey of discovery across a myriad of beautiful wines. We can accommodate this at your event, working with you to define which wines you'd like to offer tastings of, and how you'd like this structured to tie in with your event format and timings.
