

Bathing Cushion

The Bathing Cushion is used to help someone who has difficulty getting in and out of the bath.

Easy to fit

- Fitted and removed within seconds
- Some air can be left in the backrest for greater levels of comfort
- The design adapts to the size and shape of the bath, so no expensive bathroom alterations are required

Simple to maintain

- Lightweight and portable, it can be removed and cleaned with ease
- Rinse with clean water after each bath and leave it to dry inflated
- Compact and easy to store
- The material is designed to exceptionally high standards with extraordinary durability, strength & performance in the toughest of environments

Safe to use

- Only lowers a person into the bath if there is enough battery power to raise them back out again
- Battery operated – no electric cables
- Fully waterproof hand control (IP67)

Improves well-being

- Perfect for a person who has difficulty getting in and out of the bath
- The cushion deflates allowing the user to lie flat in the bath, fully covered in water so benefiting from the therapeutic properties of bathing
- The user can take the bathing cushion away with them when travelling
- Can be removed from the bath when not in use so enabling a more flexible environment for shared bathrooms
