

MEDIFRIDGE[®]
MedEasy line

MC140L-CD LAB

MC140L-CD Laboratory freezer MedEasy Line

General specifications

DIN 58345 / 13277	N/A
Dimensions outside (bxdxh)	600 x 600 x 835 mm
Dimensions inside (bxdxh)	480 x 410 x 690 mm
Air circulation	Forced
Cool system	Static
Defrost system	Manual
Temperature range	- 12 tot - 24 °C
Standard temp. setting	- 22°C
Material	Steell / White
Material inside	Aluminium / White
Material door	Steel
Type of control	Electronic
Type of controlpanel	Touch key
Type read out	Digital
Potential-free alarm contact	Yes
Light inside	No

Alarms

Opendoor alarm	Yes
High/low alarm	Yes
Fault signal	Yes

Storage

Volume	140 liter
Number of shelves	3 pieces

Functions

Frost protection	N/A
Evaporator protection	No
Porthole	Yes
Placeable against wall	Yes
Noise level	< 45 dB(A)
Lock with key	Yes
Door hinge	Right (changeable)
Temperature datalogger	No
Type readout logger	N/A
Calibration	N/A
Power failure detector	No
Battery backup	No
Temp. registration after powerfailure	No
Netto weight	54 Kg
Feet	Yes
Refrigerant	R600A
Connection value	230 Volt 50 Hz

Options

	Article number
Shelf small	007120
Shelf big	007120_001
