

MC140L-CD LAB

MC140L-CD Laboratory refrigerator

🔍 Dimensions: 600 x 600 x 835 mm

🔍 Volume: 122 litre

General specifications

Dimensions outside (bxdxh)	600x600x835
Dimensions inside (bxdxh)	460x410x680
Netto weight	45 kg
Air circulation	Yes
Cool system	Static
Defrost system	Manually
Temperature range	-12 tot -24 °C
Default temperature setting	-22°C
Material / color housing	Steel / White
Material inside	ABS / White
Material door	Steel
Type of control	Elektronic
Type of readout	Digital
Potential-free alarm contact	Yes
Light inside	No
Insulation)	60
Power	78Watt
Connection value	230V 50 Hz

Alarms

High temperature alarm	-10 °C
Low temperature alarm	-30 °C
Open door alarm	Yes
Power failure alarm	Yes
Warning signal in case of malfunction	Yes

Storage

Volume	122
--------	-----

Functions

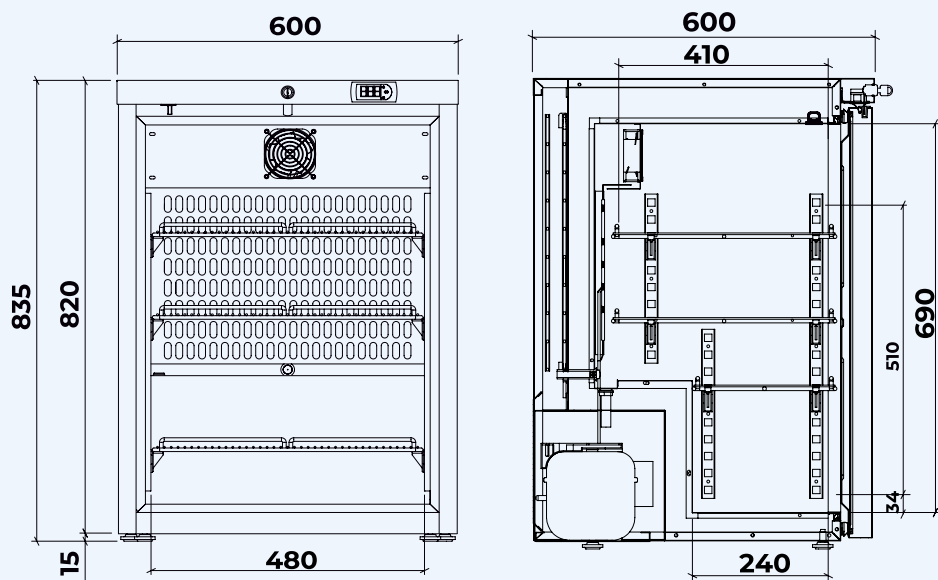

Frost protection	N/A
Evaporator protection	No
Porthole	Yes
Placeable against wall	Yes
Undercounter	Yes
Intermediate	Yes
Noise level	< 45 dB(A)
Lock with key	Yes
Door hinge	Right
Temperature datalogger	Yes
Calibration	N/A
Temperature registration power failure	No
Adjustable feet	Yes
Refrigerant	R 600a

Options

Shelf small	007120
Shelf big	007120_001
