FOR ALL LIFE STAGE DOGS**

ENERGY TOPPING

ALL LIFE STAGES HYPO WITH MICROALGAE

MONGE GIFT ENERGY TOPPING HYPO DOG WITH MICROALGAE is a complementary food for dogs of all ages. Specifically developed for the well-being of your dog thanks to its energy combined with extra hydration. Product formulated without cereals and with hydrolysed animal proteins as a first ingredient for an optimal palatability and digestibility. The formulation is enriched with MOS (mannano-oligosaccharides) and XOS (Xylo- oligosaccharide), prebiotics that support intestinal well-being. The inclusion of superfood ingredients, such as microalgae oil (*Schizochytrium sp.*) rich in omega-3 fatty acids and beta-glucans to strengthen the immune system, is the result of Made in Italy research to support the quality of life of our dogs. Without added dyes and artificial preservatives.

COMPOSITION: hydrolysed liver proteins (8%), algal oil (microalgae *Schizochytrium sp.* 2%), xylo-oligosaccharide (XOS 0.3%), betaglucans (0.1%), yeasts products (mannano-oligosaccharides MOS 0.1%), minerals.

ANALYTICAL CONSTITUENTS: Crude Protein: 3.8%, Crude Fibre: 0.1%, Crude Fat: 3%, Crude Ash: 0.5%, Moisture: 88%, n-3 Fatty Acids: 0.8%, DHA: 0.6%, Arginine: 0.15%, Glutamine: 0.35%. Metabolized Energy: 60 kcal/100g.

ADDITIVES: NUTRITIONAL ADDITIVES/kg: Vitamin E (all-rac-alpha-tocopheryl-acetate) 80 mg, Vitamin B1 (Thiamine mononitrate) 5 mg, Vitamin B2 (Riboflavin) 5 mg, Vitamin B6 (Pyridoxine hydrochloride) 3 mg, Vitamin B12 45 mcg, Vitamina H (biotin) 130 mcg, Niacinamide 20 mg, Calcium D-pantothenate 5 mg, Folic acid 0.7 mg, Choline chloride 400 mg.

INSTRUCTIONS FOR USE: Recommended daily intakes for a medium-sized dog (10 kg): 60 ml, may be split into 2 meals. Complete the daily ration with complete pet food. Shake well before use. Serve at room temperature. Once opened, keep refrigerated and consume within 2 days. Do not open the package if it is swollen. Fresh and clean water should be available at all times. Dog food only, not suitable for human consumption.
