# SALMON WITH POMEGRANATE

**MONGE GIFT SKIN SUPPORT DOG GRANOLA SALMON WITH POMEGRANATE** is a complementary pet food for adult dogs. Specifically developed for the well-being of your dog thanks to L-Carnitine for the maintenance of lean mass. A product formulated without gluten and with a single animal protein source\*, salmon, a precious source of highly digestible and biological value proteins. The formulation is enriched with vitamins for daily vitality and with biotin for a shiny and thick coat. The inclusion of superfood fruits, such as pomegranate, a source of antioxidants to reinforce the skin barrier, is the result of Made in Italy research to support the quality of our dogs' life. No added artificial dyes and sugars.

\*It may contain traces of other protein sources.

Pack size:  
120g
