PUPPY AND JUNIOR • GROWTH SUPPORT RICH IN FRESH PORK WITH MILK

MONGE GIFT PUPPY AND JUNIOR DOG RICH IN FRESH PORK WITH MILK AND NUCLEOTIDES is a complementary pet food for growing puppy dogs. Specifically developed for the well-being of your puppy thanks to milk, a natural source of minerals useful for growth and thanks to a low-fat content* to maintain an ideal body weight during growth. A product formulated without cereals and with fresh meat, a precious source of highly digestible and biological value proteins. The formulation is enriched with vitamins for daily vitality. The inclusion of functional ingredients, such as nucleotides to reinforce the immune system, is the result of Made in Italy research to support the quality of our dogs' life. No added artificial dyes and sugars.

*Compared to standard product: Monge Gift Dog Sensitive Digestion rich in fresh lamb with chestnut and inuline.

Pack size:
45g
