

DECLARATION OF CONFORMITY

We, the manufacturer **ELITE DECOR**,
08150, Boyarka city, Kyiv region, Ukraine, Bilogorodska str., 51, building 5, room 8,
declare that the product **TESORI-D-Series (coated EPS moldings)**
is in conformity with described below:

The main material is a profile of expanded polystyrene (EPS) with density of 20-22 kg/m³

Coating: Elastic acrylic coating with mineral fillers (natural marble)

The product does not contain harmful substances.

Thickness of coating: 0.5-0.8 mm

Number of layers in coating: 4

Density of coating: 1.737 g / ml.

Plasticity of coating: 18000 ± 4500 cP.

Strength of coating: Class 5B, ASTM D 3359

in the temperature range from - 35°C to + 60°C.

Coating is not flammable

Color: white milk

Brightness (opaque): G3 Class

Class of abrasion: Class 3

Vapor permeability: Class 2

Water absorption: less than 10%

Influence of light and sun: UV-resistant.

Used for dyeing with acrylic water-based paints.
