

## ANSMANN HD240RS

High-quality sensor headlamp with COB and spot LED with up to 240 lumens and 5 different lighting modes, rechargeable via USB-C charging socket

### Features

- 3 W COB LED + 3 W spot LED
- Up to 240 lumens and 1800 lux
- 5 different light functions
- Battery life up to 12.5 hours
- Gesture sensor
- Rechargeable via type-C charging socket

Beam

Waterproof

Gesture control

Brightness

Operating time

Luminous flux

Article number: 1600-0765

Product content: Headlamp incl. headband, type-C charging cable, operating instructions

## Specifications
