## THIN CLOCK INSTRUCTION MANUAL

---

### DESIGN CONCEPT

---

Thin, TEOs first time piece, is a timeless but brilliant wall clock. Surprisingly slim in appearance, Thin features a semimatte clock face framed by a glamorous shiny cover in copper, chrome or aluminum. The beautiful material combination and the soft and integrated design make being on time a pleasure.

### DESIGNER PROFILE

---

Thin Clock is designed by the TEO Creative Directors, Lena Billmeier and David Baur from Germany.
