

HHXDF5

MQ WHITEMAN

What is your
reputation riding on?

The New HHXDF5 ride-on power trowels deliver all the features contractors demand plus the additional option of running on gasoline or LPG. This new Kubota WG972 engine delivers the power, durability and performance required for today's ever changing customer needs.

- **Powerful 31 HP gasoline-LPG engine** from Kubota delivers the high torque needed for panning while having the high rotor speed needed for finishing.
- **Clam Shell Designs** simplifies maintenance and offers the convenient access to all serviceable components.
- **Continuously Variable Transmission (CVT)** provides superior performance by constantly adjusting the drive ratio to obtain torque and speed during all phases of finishing from low speed torque to high speed burnishing.
- **LED Lighting** provides state of the art illumination for night time or indoor work.
- **Helical Gearboxes** offer the industries' most efficient, coolest running trouble free design on the market today.
- **12 Volt Outlet** for charging your cell phone.
- **Proportional hydraulic steering** offers improved responsiveness with minimal effort on the part of the operator.
- **LPG/Gasoline Option** allows the operator to change from gasoline to LP at the touch of a switch.
- **Spider Assemblies** can be economically rebuilt and feature long lasting wear plates and spider hubs. Standard model comes with 5 blade configuration. Available in 4 blade configuration upon request.

Specifications:	
Model	HHXDF5
Engine	Kubota
HP	31
Blades per Rotor	5
Rotor RPM	0 - 180
Path Width in. (cm)	92 (233)
Fuel Capacity gal	10
L x W x H in (cm)	95x48x59 (318x165x145)
Operating Weight* (kg)	1654 (750.24)
Optional Wheel Kit	EMR2 or EMR3

- **Twin Pitch Control** enables the operator to simultaneously control the pitch of both rotors with minimal effort while also allowing the individual pitch adjustment of each set of rotors.
- **Large Capacity Gasoline Tank** holds up to 10 U.S. gallons.
- **Operating weight:** 1654.00 LBS

Warranty

Power Trowels, Ride-On Mechanical Models - 1 year parts and labor
HHX- series Helical Gearbox - 3 years parts and labor
 Engine covered by manufacturer's warranty. See Multiquip terms for full details.
