

IN2-CLEAN

PRODUCT DESCRIPTION

IN2-CLEAN is a cleaning product specially developed for power trowelled and polished concrete floors. The product pulls contamination and stains out of the floor so it can easily be removed by cleaning. Other than normal detergent based cleaning products, IN2-CLEAN does not damage the protection layer of concrete floor.

The active ingredients and silicates of IN2-CLEAN will continue to densify and harden the floor resulting in easy maintenance and protection for stains and pollution. This product ensures maximum cleaning performances and the best cleaning results.

ADVANTAGES IN2-CLEAN

- + *Not harmful for concrete floors*
- + *75% less product needed due to strong concentration*
- + *Helps harden the top layer*
- + *Reduces visual impact of scratches and marks*

HOW TO USE

Remove all debris from the surface. Apply IN2-CLEAN with an auto scrubber or mop. Remove excess product and allow the surface to dry.

POULTICE CLEANING FOR SEVERE OIL STAINING

Remove debris from the surface. Dilute and agitate IN2-CLEAN to assist the product in penetrating the soil's surface.

Cover the wet surface with plastic film and tape down the edges. Allow the area to remain wet for 10-15 minutes or longer if possible. Remove the plastic film and dispose of the soiled solution. Repeat if soil leaches back to the surface or if the concrete dries out completely.

SPECIAL CONSIDERATIONS

- Acids, salts, deicers and other harmful substances should be promptly removed to avoid damage to your floor.
- Don't allow the product to dry in
- Dispose waste in compliance with your local law
- Don't use on wood

TECHNICAL INFO

Shape	Clear, red liquid with a fresh scent Weights 1,02 kg / L
Flashpoint	Not applicable
Freezing	If product freezes, agitate to re-emulsify
pH:	11,0 - 12,0 (Concentrated) 9,0 - 9,5 (Diluted for use)
Packaging	200L drums 5L bottle 1L bottle
Dilution ratio	Normal use: 8ml / liter water For heavy pollution: up to 40 ml / liter water
Storage	Keep closed package in cool and well ventilated room. Protect against moisture
Storage life	Can be kept at least 12 months in non freezing conditions
Coverage area	Auto scrubber: 12,3 m ² / L Mop & bucket (250 - 300 m ² / L)

HEALTH AND PROTECTION

Safety isn't expensive, it's priceless. Always work safe!

- Wear safety shoes, safety glasses, gloves, a helmet and other protective clothing.
- When working with chemicals, wear a mouth mask.
- Avoid excessive breathing of vapors or mists, especially in poorly ventilated areas.
- Avoid contact with eyes, skin or clothing. Wash thoroughly after handling.
- When feeling unwell or experiencing irritation on skin, eyes or inhalation, consult a doctor immediately.
- Consult the MSDS for more detailed information.
