

# **IBIX** PHOENIX

**THE BEST OF IBIX® TECHNOLOGY FOR COMFORT AND EFFECTIVENESS IN THE MEDIA BLASTING AND SURFACE CLEANING, ALL IN ONE SYSTEM ACCESSIBLE TO EVERYONE.**

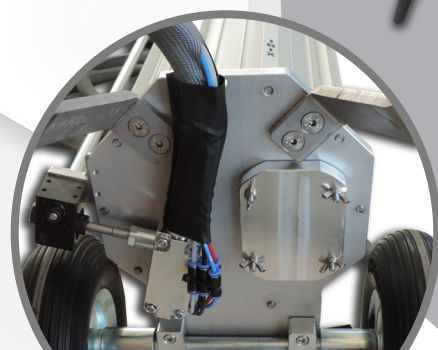

Air pressure and water adjustments on the gun.

Blasting media material adjustment from the top.

Blasting pressure constantly checked at any time.

Quick discharge of the residual blasting material from the tank, thanks to the inner funnel and the lid.

Run-flat and anti-deformation wheels. (ease of movement in rough terrain).

**IBIX® PHOENIX** is the latest innovation including all the best of IBIX® edge technology in the field of media blasting and selective micro-air-abrasive cleaning, both in terms of comfort and effectiveness. In particular, the main features of the system are the following:

- Time and material savings for the user;
- Best practice for use and settings adjusting;
- Quick discharge with funnel without overturning the machine;
- Larger wheels, for greater mobility on site.
