

Return Form

Not satisfied with your purchase? Return or exchange it easily and quickly with this return form.

IF YOU RETURN A PRODUCT, YOU SHOULD ALWAYS INCLUDE THIS COMPLETED RETURN FORM.

30 DAYS CANCELTION PERIOD: If you want to return (a part of) your order, the products (including completed return form) should be returned to and received by YogaHabits within 30 days starting from the day after delivery. It helps to already notify us of any returns via your [account](#).

CAREFULLY: Of course, trying on the product is allowed. However, all return/exchange products must be returned to YogaHabits undamaged, unused, unwashed and - whenever possible - in its original packaging (including all original label(s) & garment tags).

Please note: for hygienic reasons mats and towels should still have their original packaging/wrap intact.

Refunds on return products will only be issued after YogaHabits has checked and approved the returned products.

EXCHANGE IS ALSO POSSIBLE: Exchange is also possible for other YogaHabits products: see 'Follow up'. YogaHabits will cover the shipping costs for sending the exchange item (within the Netherlands) once only per order.

COSTS RETURNS: Send the sealed package back through the post office or another parcel service of your choice or return the package yourself in the mailbox of our office (see [return options](#) for possibilities).

PURCHASE PRICE: Once the return is received, we will verify it and (if you have chosen for refunding instead of exchanging) pay applicable refunds a.s.a.p. via the payment method of ordering. In any case within 14 days after cancelation notification. Or if we didn't receive the product(s) yet at that date, within 14 days after receiving the regarding product(s).

If you paid us for shipping and are returning your complete order, we will reimburse these costs as well, with a maximum of the amount of our "Low-Priced Shipping Method".
