D.Doll

D-Doll COLLECTION

**La D-Doll è il nostro gioiello ispirato alla personalità di Daniela:
grandi occhiali per osservare la bellezza dei piccoli dettagli, raggianti capelli
biondi che trasmettono l'energia luminosa della vita, piedi nudi per andare
lontane e scoprire il mondo...**

**La Dani Doll può essere usata come spilla o come collana, collezionata in
differenti stili sempre in linea con le sfumature della nostra esistenza...
un nuovo accessorio con cui giocare e personalizzare in modo originale le
creazioni Elisa Cavaletti!**

*It's a handmade in Italy doll-jewel, inspired by the hallmarks of Daniela:
large glasses to observe the beauty of small details, fair blond hair radiating the energy
of life, bare feet to walk very far and discover the world...*

*The Dani Doll is a pendant or a pin, to be collected in different styles, accordingly to
the shades of our life... a new accesory to play with and to customize in an original way
Elisa Cavaletti outfits!*
