

professional Roll Support

Simply and quickly slide the roll guide into the special position slots.

Perfectly finished endcaps smoothly slide into the position slots. This stabilizes the dispenser even more.

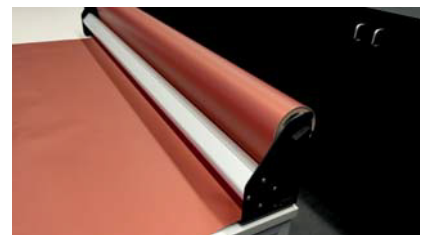

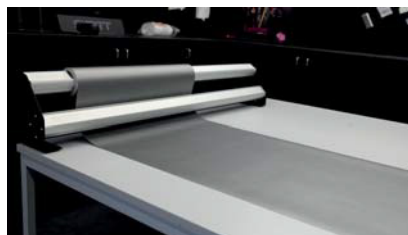

The dispenser comes complete with mounting brackets, screws and an Allen key. Just put it together and it's ready for use.

Corner brackets that can be mounted as needed so the dispenser "clamps" onto the table are included.

The two aluminium roller guides enable you to unroll your vinyl or application tape either from the top or the bottom.

The stable dispenser construction enables the perfect unrolling of wide film rolls, such as carwrap films, without any kinks or creases.

The roller guides are made from anodised aluminium with a metal profile along their entire length to prevent sagging

Rubber feet ensure it solidly sits on your table and they prevent damage. The dispenser can also be bolted to the table. A screw hole is provided for that purpose.

Has a perfect and safe finish thanks to its coated, solid metal build and rounded corners.
