ENDLESS SURFACE

Feel the groove

Come le note di uno spartito, i colori di Beat si combinano tra loro per creare atmosfere di grande armonia. Le tre strutture, ricercate nei dettagli geometrici, riflettono la luce in modi sempre diversi, per dare un ritmo inedito alle pareti: variazioni di intensità luminosa che diffondono vibrazioni positive negli ambienti.

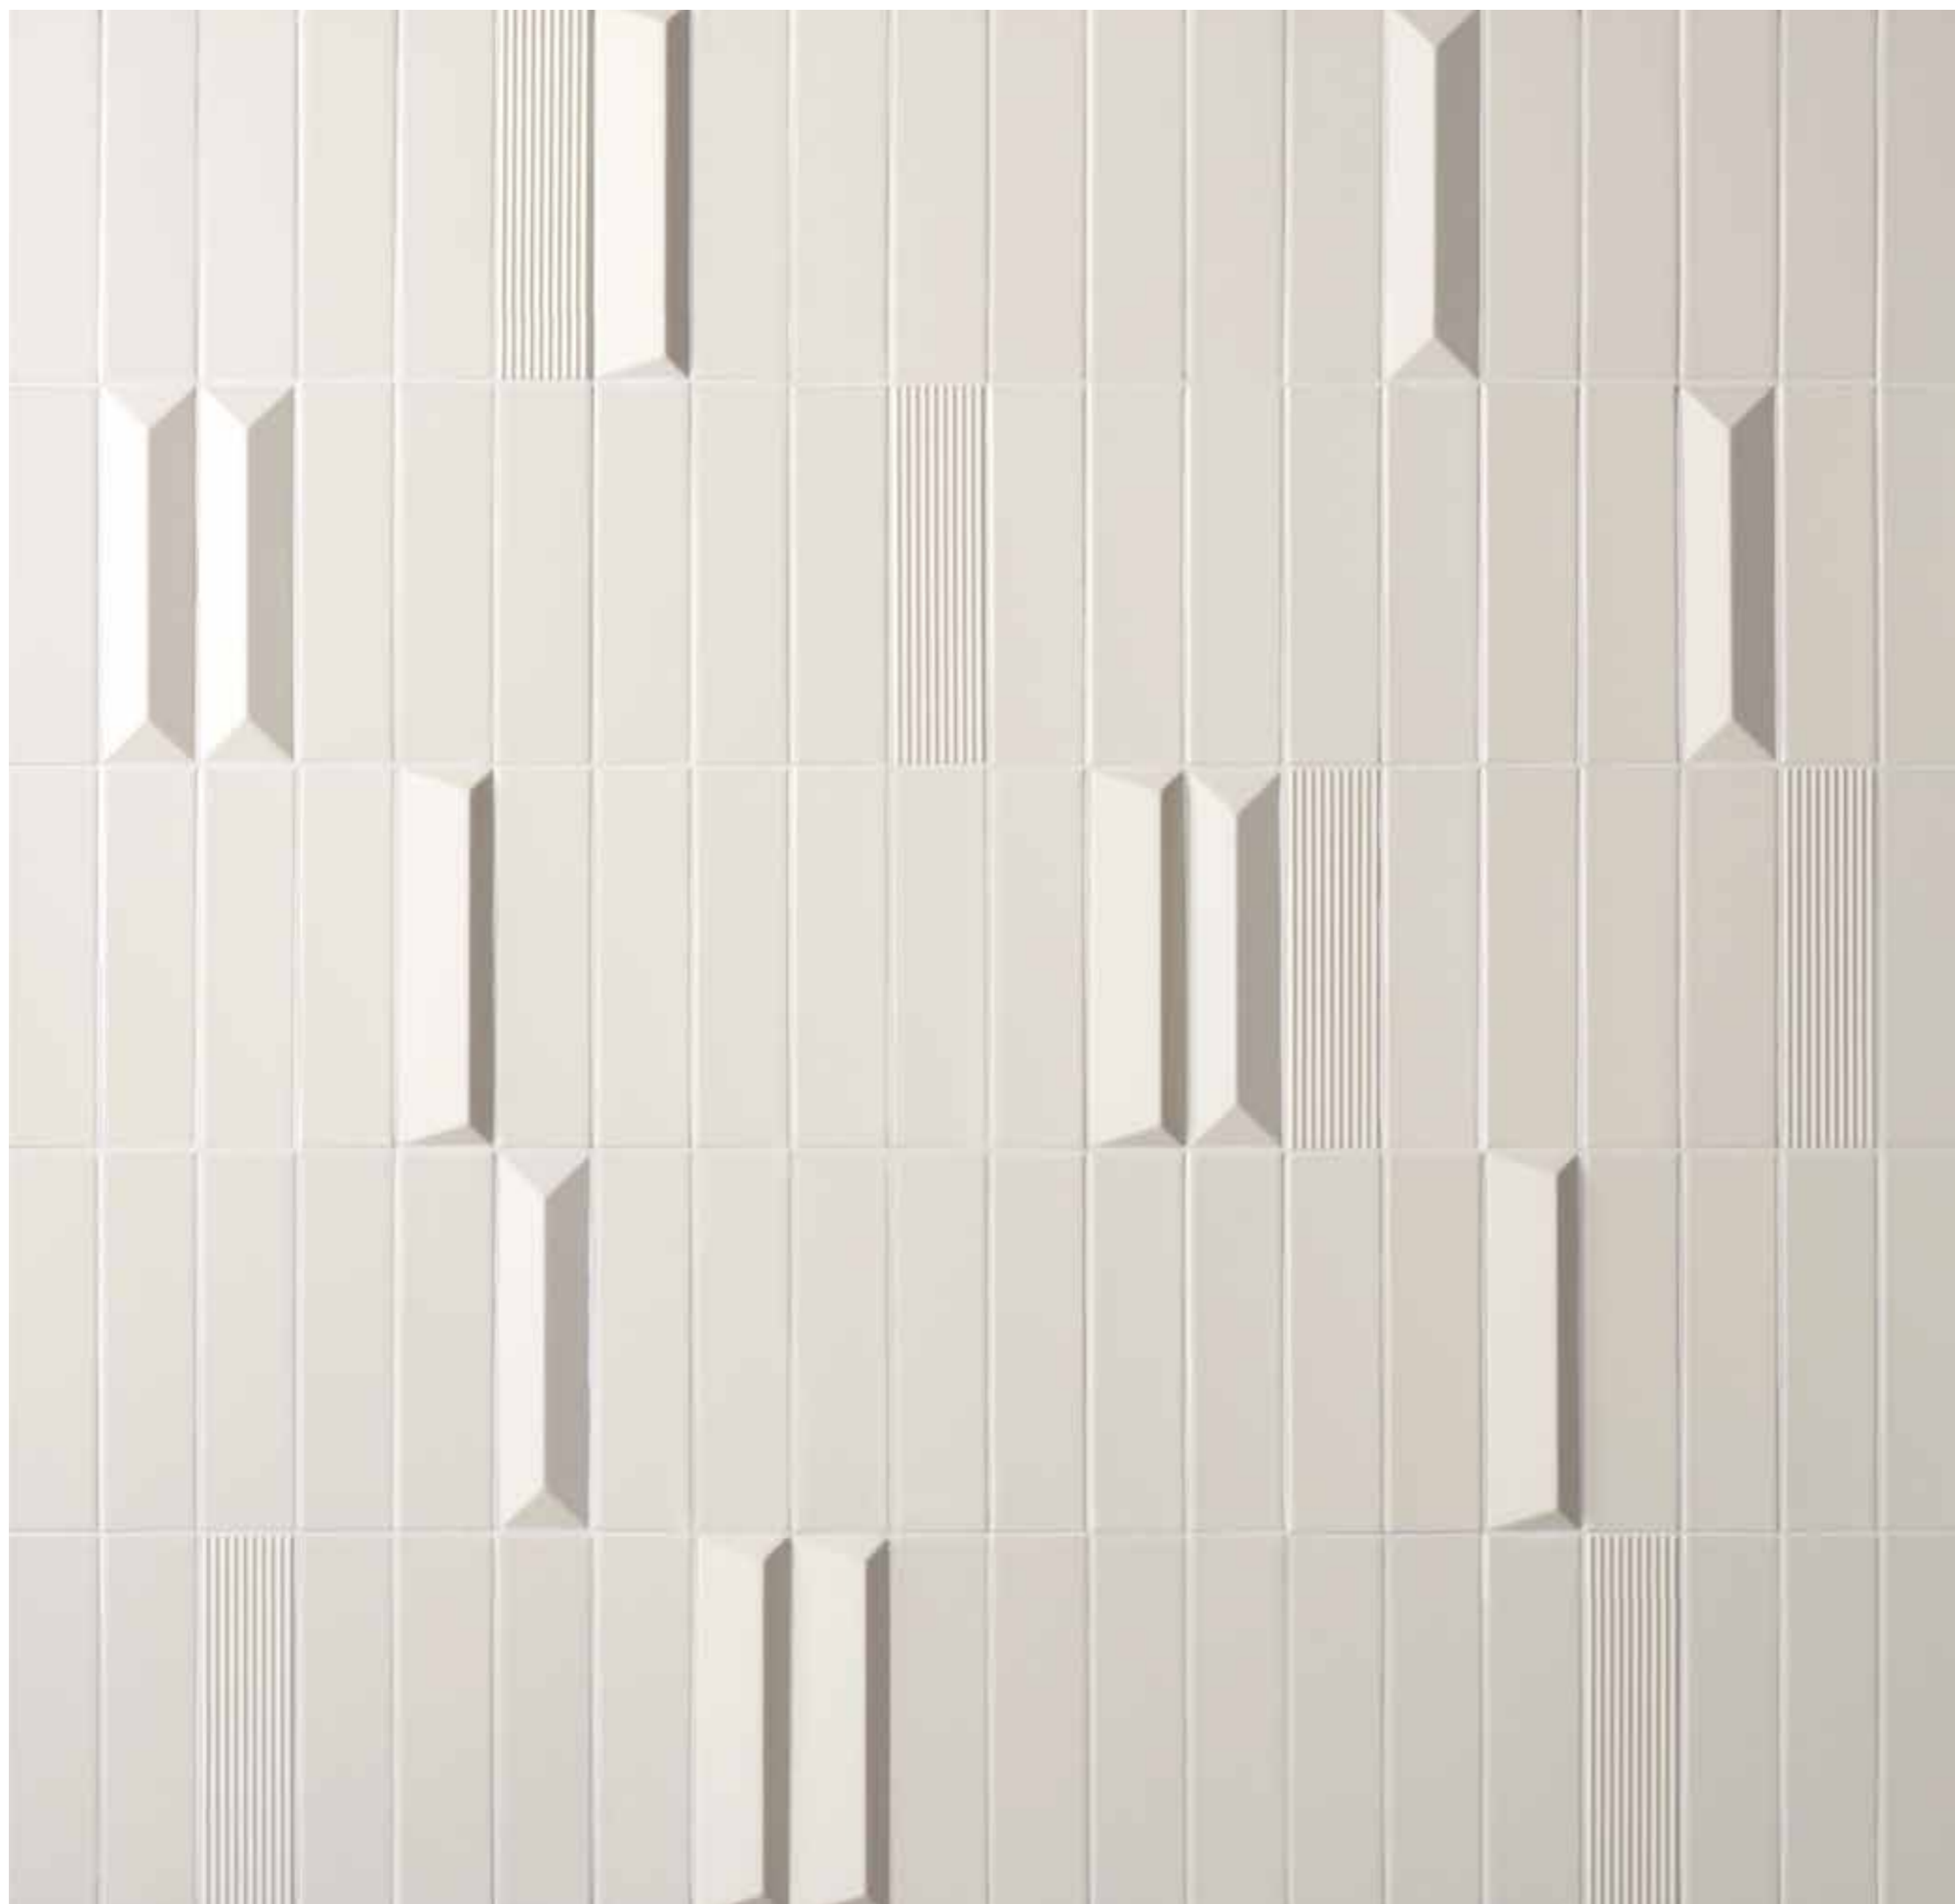

ENG Like the notes on a score, the colours of Beat flow together to create perfect harmonies. The three textures, with stylish geometric details, reflect the light in ever-changing ways, bringing a new rhythm to the walls, the fluctuating light spreading positive vibes throughout the rooms.

FR Comme des notes sur une partition, les couleurs de Beat se combinent pour créer des atmosphères d'une grande harmonie. Les trois structures, raffinées dans leurs détails géométriques, reflètent la lumière de manière changeante, donnant aux murs un rythme inédit : des variations d'intensité lumineuse qui diffusent des vibrations positives dans les pièces.

DE Wie die Noten einer Partitur entstehen bei der Kombination der Farben von Beat Atmosphären großer Harmonie. Die drei Strukturen mit raffinierten geometrischen Details reflektieren das Licht auf immer neue Weise, um den Wänden einen neuen Rhythmus zu verleihen: Variationen in der Lichtintensität, die positive Schwingungen in den Räumen verbreiten.

I tuoi spazi a tempo con te

Il formato 5x20 crea giochi di movimento personalizzati in base alle strutture scelte: Flat per un effetto liscio e minimale, Swing dall'andamento cadenzato e non convenzionale, Charleston, con un susseguirsi di punte vive e guizzanti, preziose come diamanti, Dixie, che mette in riga lo stile creando superfici materiche tridimensionali. La massima libertà di progettare seguendo le proprie corde.

YOUR SPACES IN TIME WITH YOU

The 5x20 size tile creates sense of dynamics which can be personalised through the choice of textures: Flat for a smooth, minimal effect, Swing for a rhythmic, unconventional trend, Charleston, with its vibrant flecks and spots, that sparkle like diamonds, and Dixie, which dominates with its three-dimensional surfaces. Maximum design freedom to sing your own song.

VOS ESPACES À VOTRE RYTHME

Le format 5x20 crée des jeux de mouvement personnalisés en fonction des structures choisies : Flat pour un effet lisse et minimaliste, Swing cadencé et non conventionnel, Charleston, avec une succession de pointes vives et chatoyantes, précieuses comme des diamants, Dixie, qui aligne le style en créant des surfaces matérielles tridimensionnelles. Un maximum de liberté pour concevoir des produits qui vous ressemblent.

DEINE RÄUME IM TAKT MIT DIR

Das Format 5x20 ruft individuelle Bewegungsspiele auf Grundlage der gewählten Strukturen hervor: Flat für einen sanften und minimalistischen Effekt, Swing mit einem rhythmischen und unkonventionellen Verlauf, Charleston mit einer Abfolge lebhafter und züngelnder Punkte, kostbar wie Diamanten, und Dixie, das den Stil durch die Schaffung dreidimensionaler Materialoberflächen in Einklang bringt. Maximale Gestaltungsfreiheit nach den eigenen Vorstellungen

Freschezza a colori pastello

Le sei cromie di Beat risuonano perfettamente l'una con l'altra e possono combinarsi tra loro in abbinamenti solari e sobri oppure più decisi e vivi, sempre impeccabili. La palette di colori pastello, resa ancor più radiosa dalla finitura matt, è studiata per creare ambienti sereni con un interior design giovane e fresco. Il bianco del Milk, nella doppia finitura matt o lucida, disegna superfici verticali candide satinate o luminose a seconda della finitura, per un effetto total white mai banale.

FRESHNESS IN PASTEL SHADES

The six colours in Beat resonate perfectly with each other and can be worked together to create understated or bold vibrant designs, always with an impeccable finish. The pastel colour palette, which is made even more radiant by the matt finish, is designed to create soothing interiors with a young, fresh feel. The white of the Milk option, available two finishes (matt or glossy), creates vertical swathes of purity with either a satin or lustrous finish, for a total white look that is far from plain.

FRAÎCHEUR AUX COULEURS PASTEL

Les six couleurs de Beat résonnent parfaitement les unes avec les autres et peuvent être associées les unes avec les autres dans des combinaisons ensoleillées et discrètes ou plus audacieuses et vives qui sont toujours impeccables. La palette de couleurs pastel, rendue encore plus radieuse par la finition mate, est conçue pour créer des environnements sereins avec un design d'intérieur jeune et frais. Le blanc de Milk, en double finition mate ou brillante, dessine des surfaces verticales blanches satinées ou brillantes selon la finition, pour un effet Total White jamais banal.

FRISCHE IN PASTELFARBEN

Die sechs Farben von Beat harmonisieren perfekt miteinander und können in sonnigen und schlichten Kombinationen oder entschlossener und lebhafter, aber immer makellos, kombiniert werden. Die Palette der Pastellfarben, die durch die matte Oberfläche noch strahlender wirkt, ist darauf ausgelegt, ruhige Umgebungen mit einem jungen und frischen Innendesign zu schaffen. Das Weiß von Milk, in der doppelten Ausführung matt oder glänzend, schafft je nach der Oberfläche vertikale weiß satinierte oder helle Flächen für einen Effekt des total White, der nie langweilig wird.
