

AIRMAR[®] EMEA Mix and Match Transducer Cable System

TECHNOLOGY CORPORATION EUROPE, MIDDLE EAST, AFRICA

FURUNO[®]

**Furuno
Mix & Match
Cable (9 m)**

33-564-01—600 W (5-Pin)
33-594-01—1 kW (9-Pin)

**Old Furuno
(Fuji Connector)
Mix & Match
Cable (9 m)**

33-898-01—600 W (5-Pin)
33-598-01—1 kW (9-Pin)

GARMIN[™]

**Garmin
Mix & Match
Cable (9 m)**

Depth Only
33-271-01—600 W (5-Pin)
33-599-01—1 kW (9-Pin)

Depth & Temperature
33-996-01—600 W (5-Pin)
33-591-01—1 kW (9-Pin)

LOWRANCE[®]

**Lowrance
Mix & Match
Cable (9 m)**

33-561-01—600 W (5-Pin)
33-595-01—1 kW (9-Pin)

Raymarine[®]

**Raymarine
Mix & Match
Cable (9 m)**

33-621-01—600 W (5-Pin)
33-602-01—1 kW (9-Pin)

SIMRAD

**Simrad NSE
Mix & Match
Cable (9 m)**

33-561-01—600 W (5-Pin)
33-595-01—1 kW (9-Pin)

**Navman / Northstar
(6-Pin)
Cable (9 m)**

33-601-01—600 W (5-Pin)
33-914-01—1 kW (9-Pin)

SI-TEX[®] / KODEN

**New Si-Tex / Koden
Mix & Match
Cable (9 m)**

33-628-01—600 W (5-Pin)
33-629-01—1 kW (9-Pin)

**Old Si-Tex
(Fuji Connector)
Mix & Match
Cable (9 m)**

33-898-01—600 W (5-Pin)
33-598-01—1 kW (9-Pin)

HUMMINBIRD[®]*

**Humminbird^{*}
Mix & Match
Cable (9 m)**

33-630-01—600 W (5-Pin)
33-631-01—1 kW (9-Pin)

*Humminbird Models:
800 Series—600 W
900 & 1100 Series—1 kW

Black Box^{*}

**Black Box^{*}
Mix & Match
Cable (9 m)**

33-592-01—1 kW (9-Pin)

*Black Box Fishfinder
Brands Include:
Seiwa, Techmarine,
Lorenz, VDO,
Standard Horizon,
Radio Ocean, C-Map,
Si-Tex, and Cobra

600 W Transducers Use 5-Pin Mix and Match Cables

1 kW Transducers Use 9-Pin Mix and Match Cables

How It Works:

The Mix & Match Transducer and Cable System reduces inventory stock and provides a plug and play solution for the installer. This allows distributors and dealers to stock a generic Airmar transducer model (B45 for example) as opposed to stocking multiple transducers with different fishfinder manufacturer's connectors. Once a customer has decided what brand of fishfinder they want installed, you can then match the specific fishfinder manufacturer's adaptor cable from the transducer pigtail to the fishfinder.

Extension Cables:

12 m Mix & Match Extension Cables are available for long cable runs. Order part numbers 33-247-02 for 600 W applications and 33-604-01 for 1 kW applications.
