ABOUT US

Zuii Organic has embraced the essence of nature with a unique range of Certified Organic Flora Cosmetics, Self Tan and Skin care. Our products are designed to nurture, protect and improve the health of your skin, while also caring for the earth. Zuii's timeless and evolving colour palette is created with the benefits of organic floral ingredients, essential oils, vitamins and minerals to allow you to create any look you desire. Being Certified Organic is your guarantee that only ingredients meeting strict Organic standards are used.

Zuii Flora Bouquet

Rosa Damascena (Rose) Buds

Rose Buds are high in Vitamin C and are renowned for treating scar tissue, acne, psoriasis, eczema, blemishes and hyper pigmentation. This ingredient tones, soothes and protects the skin.

Jasminum Officinale (Jasmine) Buds

Jasmine Buds increase the skin's elasticity and help to balance the skin's moisture levels.

Chamomilla Recutita (Matricaria) Flower (Chamomile)

Chamomile is one of the oldest known medicinal plants. It's used for its calming, healing and anti-inflammatory properties.

Certified Organic Flora Liquid Foundation

Zuii Certified Organic Flora Liquid Foundation has a smooth silky, medium coverage finish. It contains Calendula Extract with anti-inflammatory properties, Aloe Vera to heal and soothe the skin, plus Vitamin E to moisturise and reduce the appearance of fine lines. The foundation is a moisturiser and foundation in one and is suitable for all skin types including sensitive skin.

Certified Organic Flora Foundation Primer

Zuii Certified Organic Flora Foundation Primer is a Certified Organic blend of nourishing ingredients that offer enhanced protection and hydration for the skin. Apply one gentle pump to the face and neck prior to your makeup application to create an even, flawless canvas.

Ingredients such as Rosa Damascena Flower Waters, Chamomile, Aloe Vera and Calendula Extracts will help soothe and calm the skin while hydrating the skin's surface to decrease the appearance of fine lines and wrinkles. Rosa Damascena Flower Waters will help reduce inflammation, tone and control the oil levels on the skin.

Certified Organic Flora Foundation Colour Corrective Primer

Zuui Certified Organic Flora Foundation Colour Corrective Primer is developed to correct skin tone imperfections and discoloration. Apply the primer under your foundation to create an even skin tone before the application of foundation.

	MINT Reduces red tones in skin		MAUVE Brightens dull or sallow skin
	APRICOT Counteracts pigmentation and dark circles		

Certified Organic Flora Loose Powder Foundation

Zuui Certified Organic Flora Loose Powder Foundation lets you experience the true feeling of “wearing flowers on your face.” You can visibly see the beautiful Rose Petals inside this product. The lightweight Vegan formulation will deliver exceptional coverage and staying power using ingredients that will nourish and protect your skin. This product will help control oil and minimise shine while hydrating your skin with Marshmallow Extract, Witch Hazel Extract, Camellia Seed Oil and Aloe.

Certified Organic Flora Powder Foundation

Zuii Certified Organic Flora Powder Foundation is enriched with our unique flora blend of Certified Organic Rose, Chamomile and Jasmine Flowers. The powder provides natural-looking full coverage without clogging pores. It also provides broad spectrum UVA and UVB sun protection.

The Vitamin C properties of Rose Petals will reinforce your skin with a moisture barrier, acting to calm damaged skin and protect against premature ageing. The formula is long lasting and water-resistant, and will deliver a youthful, satin finish.

Certified Organic Flora Ultra Powder Foundation

Zuii Certified Organic Flora Ultra Powder Foundation is a truly unique foundation. Zuii's innovative technology will take you on a fragrance journey with the inclusion of Rose, Palmarosa, Geranium and Chamomile. This product offers a luxurious experience, utilising "soft focus" to blur the skin. Flora Powder will minimise the appearance of fine lines and wrinkles, with a smooth silky feel. The application to the skin is effortless and allows light to heavy buildable coverage.

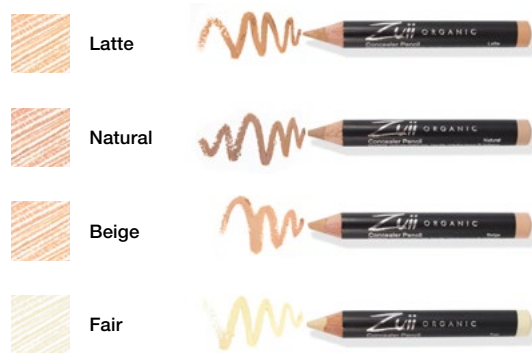

The powder is enriched with Aloe Vera, Camellia Seed Oil and Marshmallow and Witch Hazel Extract to leave your skin moisturised and hydrated.

Certified Organic Flora Concealer Pencil

Zuui Certified Organic Flora Concealer Pencil provides superior coverage to create a flawless finish. The pencil is perfect for hiding or covering imperfections and skin conditions such as rosacea, acne, blemishes and pigmentation.

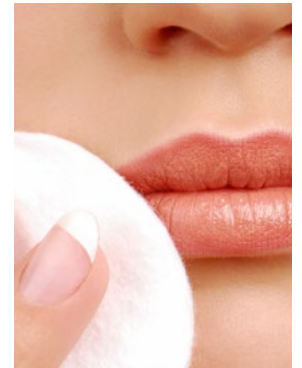

A combination of Certified Organic ingredients will soothe, protect and nourish your skin.

Certified Organic Flora Makeup Remover

Zuui Certified Organic Flora Makeup Remover is a lightweight, hydrating cream remover. This gentle remover can be used on eyes, lips or face to gently and effortlessly remove make-up.

Developed using a unique blend of botanical extracts and Organic oils such as Camellia and Macadamia, the remover will gently moisturise, soothe and condition your skin.

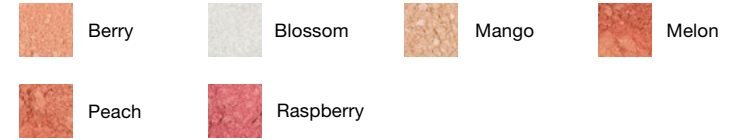

Certified Organic Flora Powder Blush

Zuii Certified Organic Flora Powder Blush delivers classic talc-free colour tones, reinforced with Certified Organic Rose Petals to soothe and tone the cheeks. Jasmine Buds will encourage repair of scar tissue while Chamomile Flowers (one of the oldest medicinal plants) will calm and heal the skin.

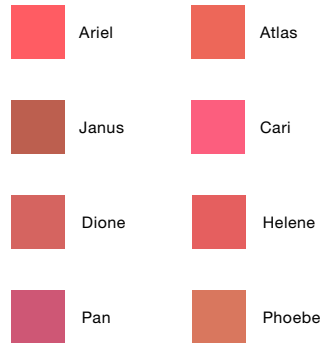

Certified Organic Flora Diamond Sparkle Blush

Zuii Organic will captivate you with “Diamond Sparkle.” Let Zuii take you on a journey into the world of pearlesed lustre and shimmer inspired by diamonds. The blush is reinforced with Certified Organic Rose Petals, Jasmine Buds and Chamomile Flowers to enhance your skin’s natural beauty.

Certified Organic Flora Lip & Cheek Crème

Zuui Certified Organic Flora Lip & Cheek Crème will provide gorgeous illumination to your cheeks or lips. Our innovative and lightweight formulas are coloured using fruit and flowers, including Gardenia, Dragon Fruit, Pomegranate, Grape Seed, Bilberry and Cranberry Extracts. We have also combined Shea Butter, Aloe Vera, Jojoba Oil and Geranium Oil to ensure your skin is nourished.

Certified Organic Flora Eyeshadow

Zuui Certified Organic Flora Eyeshadow is made from our signature powder base of Rose, Jasmine and Chamomile Flowers. It delivers vibrant colour plus the added benefit of Aloe Vera, Nettle Leaf and Horsetail to nourish and protect delicate eyelids.

Certified Organic Flora

Duo Eyeshadow Palette

Zuii Certified Organic Flora Duo Eyeshadow Palette is made from Zuii's signature powder base of Rose, Jasmine and Chamomile Flowers. It delivers unique colour shades plus the added benefit of Aloe Vera, Nettle Leaf and Horsetail to nourish and protect delicate eyelids. Our duos will allow you to create natural or dramatic effects.

Certified Organic Flora Lipstick

Zuii Certified Organic Flora Lipstick is a rich and creamy Organic Lipstick. It will soothe and nourish your lips while delivering rich, long-wearing colour. Our variety of colour shades can be used for any look or occasion.

The lipstick is reinforced with Jojoba and Sunflower Oil and is rich in Vitamins A and E to protect and moisturise your lips. It will leave your lips smelling subtly of roses.

Certified Organic Flora Sheerlips Lipstick

Zuii Certified Organic Flora Sheerlips Lipstick contains a blend of nurturing essential oils and extracts. It delivers long-wearing performance while the ultra-lightweight formula provides a sheer, rich flush of colour to your lips.

Reinforced with Camellia Seed Oil, Jojoba Oil, Sunflower Oil, Shea Butter and Aloe Vera, this lipstick will soothe, protect and moisturise your lips.

Certified Organic Flora Satin Lip Colour

Zuii Certified Organic Flora Satin Lip Colour delicately glides to provide a concentrated flush of colour while hydrating your lips. Formulated with a unique blend of Camellia Seed Oil, Shea Butter, Vitamin E and C, this creamy Liquid Lipstick will nourish lips. The lip colour is lightly scented with Zuii's signature blend of essential oils.

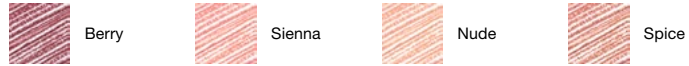

Certified Organic Flora Lip Tint

Zuii Certified Organic Flora Lip Tint delivers a high natural gloss finish. More than just colour, this lip tint is formulated with a unique blend of Certified Organic Rose, Aloe Vera and Beeswax to moisturise and nourish dry or chapped lips. It is lightly scented with Certified Organic Orange Oil and contains Vitamins E and C.

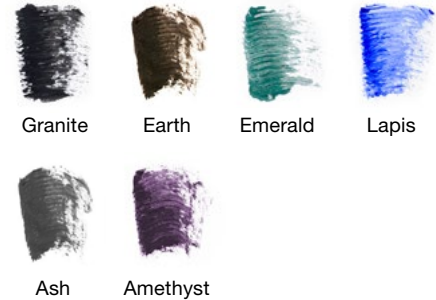

Certified Organic Flora Lipliner Pencil

Zuii Certified Organic Flora Lipliner Pencils are developed with a creamy blend of Certified Organic waxes and essential oils. They will help to accentuate the shape of your lip line while providing long lasting colour.

Certified Organic Flora Vegan Mascara

Create a natural full lash look with the Zuii Certified Organic Flora Vegan Mascara. A unique blend of Certified Organic Nettle Leaf and Horsetail Extracts will care for your eyes and promote lash growth. The mascara is scented with Rose Oil, Palmarosa Oil and Orange Oil.

Certified Organic Flora Maxi Lash Mascara

Create maximum length with **Zuii Certified Organic Flora Maxi Lash Mascara**. This product will help you achieve extended and defined lashes.

The advanced formulation contains natural plant fibers that bond to your own lashes to dramatically increase length and create fuller looking lashes. Apply an even layer while lifting and separating each individual lash for maximum length. This is a long-lasting formulation with reduced smudging.

The mascara is enriched with the benefits of Certified Organic Cacao Seed Butter and Carnauba Wax. A unique blend of Certified Organic Nettle Leaf, Rosemary Flower Extract, Aloe Vera and Horsetail Extract will condition, nourish and regenerate your lashes. This lightweight formula is perfect for those with sensitive eyes.

Certified Organic Flora Volume Mascara

Create a fuller more dramatic look with **Zuii Certified Organic Flora Volume Mascara**. This ultimate buildable lash volumiser will provide you with thick, fuller looking lashes. The advanced formulation contains natural plant fibers that bond to your own lashes to dramatically increase volume.

The mascara is enriched with the benefits of Certified Organic Shea Butter, Carnauba Wax, Geranium and Rose Flower Oils. A unique blend of Certified Organic Nettle Leaf and Horsetail Extracts will condition, nourish and regenerate your lashes. This lightweight formula is perfect for those with sensitive eyes, and contains **Zuii's** signature essential oil Rose Scent.

WHY ORGANIC?

Consumers are becoming increasingly aware of the chemicals and toxic effects of ingredients in cosmetics, and are looking for alternatives. **Zuii Organic** is more than 'mineral' or 'natural' - our complete product range is Certified Organic. Our products are accredited by Australian and global certifying bodies including NASSA and BDIH /COSMOS. These companies undertake stringent yearly audits to confirm all regulations of Organic Standards are met and maintained. We as a company are inspired by nature, unlike many mineral or uncertified products. At **Zuii Organic**, all products and ingredients meet the global organic certification standards.

Zuii Organic's extensive product testing, research and development allows you to experience unique professional products that do not contain harsh chemicals. The ingredients in our products are selected specifically to nourish, moisturise and protect your skin. At the same time, our pigments and colours are vibrant, even though no fillers such as talc are used. You will be delighted with the performance, soft texture, staying power and extensive colour variety of our range.

Our Commitment

Our commitment to you is that you will **NOT** find any of the ingredients below in our products:

- Petrochemicals or any other synthetic substances
- Products of animal origins or tested on animals
- Sodium Laureth Sulphate
- Genetically modified ingredients
- Ingredients of nano particles
- Parabens
- Talc

ZUII CERTIFIED ORGANIC INGREDIENTS

Rosa Damascena (Rose) Buds

Rose Buds are high in Vitamin C and are renowned for treating scar tissue, acne, psoriasis, eczema, blemishes and hyper pigmentation. This ingredient tones and soothes the skin and acts as natural moisture barrier to protect the skin against premature aging.

Jasminum Officinale (Jasmine) Bud

Jasmine Buds increase the skin's elasticity and help to balance the skin's moisture levels.

Chamomilla Recutita (Matricaria) Flower (Chamomile)

Chamomile is one of the oldest known medicinal plants. It's used for its calming, healing and anti inflammatory properties.

Aloe Barbadensis (Aloe Vera)

Aloe Vera is a wild plant of the Lilly family used for centuries as a healing agent and beauty aid. Aloe Vera Gel contains Vitamins B1, B2 and B6, calcium and potassium, and is known for its hydrating and soothing properties.

Pelargonium Graveolens (Geranium) Flower Oil

Geranium Flower Oil has a scent that is similar to roses. It cleanses and tones the skin and normalises the secretion of sebum, thus helping to control acne and reduce inflammation. It is also useful for dry eczema.

ZUII CERTIFIED ORGANIC INGREDIENTS

Simmondsia Chinensis (Jojoba) Seed Oil

Extracted from the seeds of a desert shrub, Jojoba Seed Oil is an emollient, meaning it will soften and smooth the skin. It has excellent spreading and lubricating properties.

Ricinus Communis (Castor) Seed Oil

Castor Seed Oil is a vegetable-based oil that contains a unique and beneficial blend of triglycerides and fatty acids.

Helianthus Annuus (Sunflower) Oil

Sunflower Oil is rich in Vitamins A and E in addition to fatty acids. It contains beta carotene - one of the richest antioxidants to protect collagen and elastin. The oil will moisturise and protect skin from moisture loss.

Rose Damascena (Rose) Flower Oil

Rose Flower Oil is rich in natural Vitamin C, which will moisturise, firm and hydrate the skin. It also contains a high volume of Tretinoin and essential fatty acids, clinically proven to reduce fine lines and improve skin condition.

Cymbopogon Martini (Palmarosa) Oil

Palmarosa Oil is beneficial for problem skin such as acne. It has the effect of balancing the production of skin sebum (oil) while stimulating the regeneration of the skin cells. regeneration of the skin cells.

ZUII CERTIFIED ORGANIC INGREDIENTS

Aurantium Bergamia (Bergamot) Fruit Oil

Bergamot Fruit Oil has antibacterial properties that remove toxins and impurities from the skin. It also balances oily skin, improves skin tone and reduces the appearance of marks and discolorations.

Macadamia Integrifolia Seed Oil

Macadamia Integrifolia Seed Oil has skin conditioning properties as it contains predominantly unsaturated fatty acids including palmitoleic acid.

Citrus Medica Limonum (Lemon) Peel Oil

Lemon Peel Oil restores the luster of dull skin and has astringent and detoxifying properties.

Prunus Amygdalus Dulcis (Sweet Almond) Oil

Sweet Almond Oil restores a natural glow by balancing and conditioning the skin and restoring moisture loss.

Urtica Dioica (Nettle) Leaf Extract

Nettle Leaf extract is rich in nutrients, acting as a skin soother with tonic, astringent and revitalising properties.

Citrus Paradisi (Grapefruit) Peel Oil

Grapefruit Peel Oil has powerful moisturising and tightening effects.

ZUII CERTIFIED ORGANIC INGREDIENTS

Citrus Aurantium Dulcis (Orange) Peel Oil

Orange Peel Oil detoxifies the body and boosts the lymphatic system. It also assists with collagen formation and possesses antispasmodic, anti-inflammatory, sedative and antiseptic therapeutic properties.

Calendula Officinalis (Calendula) Oil

Calendula Oil is extracted from the Calendula blossom. It calms and soothes stressed skin and reduces irritation and inflammation of the skin.

Crocus Sativus (Saffron) Flower Extract

Saffron Flower Extract acts like a natural skin toner, helping to unclog pores and eliminate blackheads.

Phyllostachys Bambusoides (Bamboo Stem)

Bamboo Stem is the richest source of natural silica. It helps to diminish the appearance of uneven skin tone and is rich in mineral salts.

Camellia Sinensis (Camellia) Leaf Extract – Green Tea

Green Tea is 200 times stronger in antioxidant effect than Vitamin E. It helps to assist in the preservation of younger looking skin by fighting fine lines and wrinkles. It also soothes and calms sensitive skin.

ZUII CERTIFIED ORGANIC INGREDIENTS

Cetraria Islandica Thallus Extract (Iceland Moss)

Iceland Moss has softening and soothing properties and relieves dryness and irritation of the skin. It forms a soothing and moisturising film.

Polypodium Vulgare Rhizome Extract (Polypody)

Polypody is a winter green Fern that provides a soothing and moisturising film on the skin.

Sphagnum Magellanicum Extract (Peat Moss)

Peat Moss is one of the most important plants in the world due to its unique ability to absorb and retain water and moisture.

Cucumis Sativus (Cucumber) Fruit Extract

Cucumber Fruit Extract has a high volume of minerals, potassium and sulfur, all known to soften and hydrate skin.

Theobroma Cacao (Cocoa) Seed Butter

Cocoa Seed Butter is a plant oil derived from cocoa beans. It is a potent moisturiser and softener for the skin. The oil creates a protective barrier on skin, shielding it from the environment.

Juglans Nigra (Black Walnut) Leaf Extract

Black Walnut Leaf Extract promotes healthy skin. It has antifungal properties, reduces inflammation and stimulates circulation.

ZUII CERTIFIED ORGANIC INGREDIENTS

Butyrospermum Parkii (Shea) Butter

Shea Butter has skin conditioning properties. It preserves the innate moisture of the skin.

Bulbine Frutescens Leaf Juice

Bulbine Frutescens Leaf Juice is a South African medicinal plant with unique healing, soothing and moisturizing qualities. It protects dry and sensitive skin and helps increase skin hydration and elasticity.

Theobroma Cacao (Cacao)

Cacao is high in antioxidants and is enriched with minerals and vitamins such as Vitamin C, Magnesium and Omega 6 fatty acids. It promotes and increases cellular healing to develop a youthful glow.

Dihydroxyacetone (DHA)

DHA is a simple carbohydrate derived from plant sources such as sugar beets and sugar cane. It's produced through the fermentation of glycerin, which interacts with amino acids in skin cells to produce a brown colour.

Erythulose

Erythulose is a carbohydrate extracted from red berries. It's used in conjunction with DHA in self tanning products to naturally colour the skin.
