PRODUCT CATALOGUE 2020

Tiny Miracles creates unique award-winning design products in collaboration with Dutch designer Pepe Heykoop. The Paper Vase Cover turns an empty bottle or jar into an elegant vase. The Bottle Grip turns your bottle into a center piece, while the Lamp Shades lights up your room. All products are handmade in different communities in Mumbai, India.

Tiny Miracles believes our generation must and has the power to end poverty. Founded in 2010 by Laurien Meuter, Tiny Miracles has developed, through trial and error, a proven approach that lifts communities out of poverty and helps them to stay out. By using a holistic method that builds confidence, empowers people and changes mindsets, Tiny Miracles has been disrupting the poverty cycle in communities in India by employing women for fair incomes enabling them to save for their future. The design products inspire consumers to buy differently and enables businesses to produce the right way.
